Food and Nutrition Service

Title: Negative Quality Control Review Schedule; Status of Sample Selection and Completion.

OMB Control Number: 0584-0034.

Summary of Collection: The legislative basis for the operation of the quality control system is provided by section 16 of the Food Stamp Act of 1977. State agencies are required to perform Quality Control (QC) reviews for the Food Stamp Program (FSP). As part of the Performance Reporting System, each State agency is required to provide a systemic means of determining the accuracy of household eligibility and measuring the extent to which households receive the food stamp allotment to which they are entitled. Section 275.21(a) requires State agencies to submit reports to enable the Food and Nutrition Service (FNS) to monitor their compliance with Program requirements relative to the Quality Control Review System. FNS will collect information using forms FNS-245 *Negative Case Action Review Schedule* and FNS-248 *Status of Sample Selection and Completion*.

Need and Use of the Information: FNS will collect information to record data in negative case reviews. Negative case actions include the denial, termination or suspension of benefits. FNS will also measure program operations and determination of a State's eligibility for enhanced administrative funding and to monitor the progress of sample selection and completion. If the information were not collected, it would delay the awarding of monetary incentives in which the negative error rate played a role.

Description of Respondents: State, Local, or Tribal Government; Federal Government; individuals or households.

Number of Respondents: 53.

Frequency of Responses: Recordkeeping; Reporting: On occasion; Annually.

Total Burden Hours: 121,636.
