### Analysis of Agreement Containing Consent Order To Aid Public Comment

The Federal Trade Commission has accepted, subject to final approval, an agreement containing a proposed consent order with Puerto Rico Association of Endodontists Corp. (“PRAE”). The agreement settles charges that PRAE violated Section 5 of the Federal Trade Commission Act, 15 U.S.C. 45, by orchestrating and implementing agreements among endodontist members of PRAE on price and other competitively significant terms; refusing or threatening to refuse to deal with payors except on collectively agreed-upon terms; and negotiating fees and other competitively significant terms with payors in contracts for PRAE’s member endodontists. Comments received during this period will become part of the public record. After 30 days, the Commission will review the agreement and the comments received, and will decide whether it should withdraw from the agreement or make the proposed order final.

The purpose of this analysis is to facilitate public comment on the proposed order. The analysis is not intended to constitute an official interpretation of the agreement and proposed order, or to modify their terms in any way. Further, the proposed consent order has been entered into for settlement purposes only and does not constitute an admission by PRAE that it violated the law or that the facts alleged in the complaint (other than jurisdictional facts) are true.
