SUPPLEMENTARY INFORMATION:

Background

On July 20, 2006, the Department of Commerce (the Department) published in the **Federal Register** its notice of partial rescission of the antidumping duty administrative review of certain frozen warmwater shrimp from Thailand for the period August 4, 2004, through January 31, 2006. *See Certain Frozen Warmwater Shrimp from Thailand; Partial Rescission of Antidumping Duty Administrative Review*, 71 FR 41200 (July 20, 2006) (*Partial Rescission*). In the *Partial Rescission*, the Department noted that it was rescinding the administrative review with respect to Kiang Huat Sea Hull Trading Frozen Food Public Co., Ltd., based on a timely request for withdrawal. *See Partial Rescission*, 71 FR at 41201. However, the Department incorrectly spelled this company's name. Specifically, the correct name for this company is Kiang Huat Sea Gull Trading Frozen Food Public Co., Ltd.

We now correct the partial rescission of the 2004-2006 antidumping duty administrative review of certain frozen warmwater shrimp from Thailand as noted above. As a result of this correction, we are rescinding the 2004-2006 administrative review for Kiang Huat Sea Gull Trading Frozen Food Public Co., Ltd.

This corrected partial rescission is issued and published in accordance section 751 of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: July 26, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Granular Polytetrafluoroethylene Resin From Italy: Second Extension of the Time Limit for the Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: August 3, 2006.

FOR FURTHER INFORMATION CONTACT: Saliha Loucif or Salim Bhabhrawala, at (202) 482-1779 or (202) 482-1784, respectively; AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On September 28, 2005, the Department of Commerce (Department) published a notice of initiation of administrative review of the antidumping duty order on Granular Polytetrafluoroethylene Resin (PTFE) From Italy, covering the period August 1, 2004, through July 31, 2005. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 70 FR 56631 (September 28, 2006). On April 14, 2006, the Department extended the preliminary results from May 3, 2006 to August 1, 2006. *See Extension of the Time Limit for the Preliminary Results of Antidumping Duty Administrative Review*, 72 FR 19481 (April 14, 2006).

Second Extension of Time Limit for Preliminary Results of Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to complete the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order/finding for which a review is requested. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days after the last day of the anniversary month of an order/finding for which a review is requested.

We determine that it is not practicable to complete the preliminary results of this review within the originally

extended time limit due to a number of complicated issues (e.g., further-manufacturing of wet raw polymer into granular PTFE resin, U.S. warehousing), which must be addressed prior to the issuance of those results. The Department requires additional time to analyze the respondent's questionnaire response and issue any necessary supplemental questionnaires.

Accordingly, the Department is extending, by 30 days, the time limit for completion of the preliminary results of this administrative review until no later than August 31, 2006. We intend to issue the final results no later than 120 days after publication of the preliminary results notice.

This notice of extension of the time limit is published in accordance with 751(a)(3)(A) of the Act.

Dated: July 26, 2006.

Deputy Assistant Secretary for Import Administration.

Hand Trucks and Certain Parts Thereof From the People's Republic of China; Notice of Extension of Time Limits for Preliminary Results in Antidumping Duty Administrative Review and New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

Effective Date: August 3, 2006.

FOR FURTHER INFORMATION CONTACT:

Elizabeth Eastwood or Nichole Zink, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-3874 and (202) 482-0049, respectively.

SUPPLEMENTARY INFORMATION:

Background

On February 1 and February 3, 2006, respectively, the Department of Commerce (the Department) published notices of initiation of administrative and new shipper reviews of the antidumping duty order on hand trucks and certain parts thereof (hand trucks) from the People's Republic of China (PRC). *See Initiation of Antidumping and Countervailing Duty Administrative*

Reviews and Request for Revocation in Part, 71 FR 5241 (Feb. 1, 2006); and *Hand Trucks and Certain Parts Thereof from the People's Republic of China; Initiation of New Shipper Review*, 71 FR 5810 (Feb. 3, 2006).

On May 31, 2006, the Department published a notice aligning the time limits for the new shipper review with those for the administrative review. See *Hand Trucks and Certain Parts Thereof from the People's Republic of China: Notice of Postponement of Time Limits for New Shipper Antidumping Duty Review in Conjunction with Administrative Review*, 71 FR 30867 (May 31, 2006). Consequently, the preliminary results for both proceedings are currently due no later than September 5, 2006.

The period of review for both proceedings is December 1, 2004, through November 30, 2005. The new shipper review covers one producer/exporter of the subject merchandise to the United States. The administrative review covers five producers/exporters of the subject merchandise to the United States.

Extension of Time Limits for Preliminary Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(h)(1), the Department shall make a preliminary determination in an administrative review of an antidumping order within 245 days after the last day of the anniversary month of the date of publication of the order. The Act further provides, however, that the Department may extend the 245-day period to 365 days if it determines it is not practicable to complete the review within the foregoing time period. See also, 19 CFR 351.213(h)(2). We determine that it is not practicable to complete this administrative review within the time limits mandated by section 751(a)(3)(A) of the Act because the Department's selection of mandatory respondents in this administrative review was not completed until May 2006, due to the withdrawal of the request for review of the company originally designated as the sole mandatory respondent. As a result, the Department was required to select additional mandatory respondents from the firms named in the notice of initiation and issue questionnaires to them. Because additional time is required to analyze these parties' responses, we have fully extended the deadline for completing the preliminary results until January 2, 2007, which is the next business day

after 365 days from the last day of the anniversary month of the date of publication of the order. The deadline for the final results of the review continues to be 120 days after the publication of the preliminary results.

This extension is in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

Dated: July 26, 2006.

Deputy Assistant Secretary for Import Administration.

Notice of Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review: Certain Hot-Rolled Carbon Steel Flat Products From Thailand

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: August 3, 2006.

FOR FURTHER INFORMATION CONTACT: Stephen Bailey, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-0193.

SUPPLEMENTARY INFORMATION:

Background

The Department of Commerce (the Department) received timely requests for administrative review of the antidumping duty order on certain hot-rolled carbon steel flat products (hot-rolled steel) from Thailand, with respect to Sahaviriya Steel Industries Public Company Limited (SSI) on November 30, 2005, from domestic producer Nucor Corporation (Nucor). Also on November 30, 2005, the Department received a request for administrative review of the same order for SSI, Nakornthai Strip Mill Public Co., Ltd. (NSM), and G Steel Public Company Limited (G Steel) from petitioner United States Steel Corporation (petitioner). On December 22, 2005, the Department published a notice of initiation of this administrative review for the period of November 1, 2004, through October 31, 2005. See *Notice of Initiation of Antidumping and Countervailing Duty Administrative*

Reviews and Request for Revocation in Part, 70 FR 76024 (December 22, 2005).

On January 13, 2006, G Steel submitted a no-shipments letter to the Department in which it claimed it did not have sales, shipments, or entries of subject merchandise to the United States during the current period of review (*i.e.*, November 1, 2004 through October 31, 2005).

On March 22, 2006, both Nucor and petitioner submitted letters withdrawing their requests for administrative review of the above-referenced antidumping duty order with respect to SSI. Accordingly, on April 28, 2006, the Department rescinded this review with respect to SSI. See *Partial Rescission of Antidumping Duty Administrative Review: Certain Hot-Rolled Carbon Steel Flat Products from Thailand*, 71 FR 25148 (April 28, 2006).

Extension of Time Limits for Preliminary Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), the Department shall issue preliminary results in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order. The Act further provides, however, that the Department may extend that 245-day period to 365 days if it determines it is not practicable to complete the review within the foregoing time period.

In light of the complexity of analyzing NSM's sales data, its cost calculations and the control number reporting methodology for various products, it is not practicable to complete this review by the current deadline of August 2, 2006. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time limit for the preliminary results 60 days until October 2, 2006. The final results continue to be due 120 days after the publication of the preliminary results, in accordance with section 351.213 (h) of the Department's regulations.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: July 24, 2006.

Deputy Assistant Secretary for Import Administration.
