

percent of the capital and profits of D, an entity organized in country M. D is a partnership for U.S. income tax purposes, but is a corporation for country M tax purposes. D uses the "u" as its functional currency and the calendar year as its taxable year for both U.S. tax purposes and country M tax purposes. Country M imposes an income tax described in paragraph (a)(1) of this section at a rate of 30 percent at the entity level on the taxable income of D. On September 30, 2008, A sells its 50 percent interest in D to C. A's sale of its partnership interest results in a termination of the partnership under section 708(b) for U.S. tax purposes. As a result of the termination, "old" D's taxable year closes on September 30, 2008 for U.S. tax purposes. New D also has a short U.S. taxable year, beginning on October 1, 2008, and ending on December 31, 2008. The sale of A's interest does not close D's taxable year for country M tax purposes. D has 400u of taxable income for its 2008 foreign taxable year with respect to which country M imposes 120u equal to \$120 of income tax.

(i) *Result.* Under paragraph (f)(3)(i) of this section, hybrid partnership D is legally liable for the \$120 of country M income tax imposed on its net income. Because D's taxable year closes on September 30, 2008, for U.S. tax purposes, but does not close for country M tax purposes, under paragraph (f)(3)(i) of this section the \$120 of country M tax must be allocated under the principles of § 1.1502-76(b) between the short U.S. taxable years of terminating D and new D. See § 1.704-1(b)(4)(viii) for rules relating to the allocation of terminating D's country M taxes between A and B and the allocation of new D's country M taxes between B and C.

Example 9. (i) *Facts.* A, a United States person engaged in construction activities in country X, is subject to the country X income tax. Country X has contracted with A for A to construct a naval base. A is a dual capacity taxpayer (as defined in paragraph (a)(2)(ii)(A) of this section) and, in accordance with paragraphs (a)(1) and (c)(1) of § 1.901-2A, A has established that the country X income tax as applied to dual capacity persons and the country X income tax as applied to persons other than dual capacity persons together constitute a single levy. A has also established that that levy is an income tax within the meaning of paragraph (a)(1) of this section. Pursuant to the terms of the contract, country X has agreed to assume any country X income tax liability that A may incur with respect to A's income from the contract.

(ii) *Result.* For U.S. income tax purposes, A's income from the contract includes the amount of tax that is imposed by country X on A with respect to its income from the contract and that is assumed by country X; and the amount of the tax liability assumed by country X is considered to be paid by A. By reason of paragraph (f)(5) of this section, country X is not considered to provide a subsidy, within the meaning of section 901(i) and paragraph (e)(3) of this section, to A.

* * * * *

(h) *Effective Date.* Paragraphs (a) through (e) and paragraph (g) of this section, § 1.901-2A and § 1.903-1 apply to taxable years beginning after

November 14, 1983. Paragraph (f) of this section is effective for foreign taxes paid or accrued during taxable years of the taxpayer beginning on or after January 1, 2007.

Treatment of Services Under Section 482 Allocation of Income and Deductions From Intangibles Stewardship Expense

AGENCY: Internal Revenue Service (IRS), Treasury.

ACTION: Notice of proposed rulemaking by cross-reference to temporary regulations, notice of proposed rulemaking, and notice of public hearing.

SUMMARY: In a separate part to this issue of the **Federal Register**, the IRS is issuing temporary regulations relating to the treatment of controlled services transactions under section 482. These temporary regulations also provide guidance regarding the allocation of income from intangibles, in particular with respect to contribution by a controlled party to the value of an intangible owned by another controlled party as it relates to controlled services transactions and modify the regulations under section 861 concerning stewardship expenses to be consistent with the changes made to the regulations under section 482. The text of those regulations also serves as the text of these proposed regulations. These proposed regulations also contain a coordination rule with global dealing operations. The Treasury Department and the IRS are presently working on new global dealing regulations and intend that when final regulations are issued, those regulations, not § 1.482-9T, will govern the evaluation of the activities performed by a global dealing operation within the scope of those regulations. Pending finalization of the global dealing regulations, taxpayers may rely on the proposed global dealing regulations, not the temporary services regulations, to govern financial

transactions entered into in connection with a global dealing operation as defined in proposed § 1.482-8. Therefore, proposed regulations under § 1.482-9(m)(5) clarify that a controlled services transaction does not include a financial transaction entered into in connection with a global dealing operation. These proposed regulations potentially affect controlled taxpayers within the meaning of section 482. This document also provides notice of a public hearing on these proposed regulations.

DATES: Written or electronic comments must be received by November 2, 2006.

ADDRESSES: Send submissions to: CC:PA:LPD:PR (REG-146893-02, REG-115037-00, and REG-138603-03), Internal Revenue Service, PO Box 7604, Ben Franklin Station, Washington, DC 20044. Submissions may be sent electronically, via the IRS Internet site at <http://www.irs.gov/regs> or via Federal eRulemaking Portal at <http://www.regulations.gov> (IRS REG-146893-02, REG-115037-00, and REG-138603-03).

FOR FURTHER INFORMATION CONTACT: Concerning the proposed regulations, Thomas A. Vidano, (202) 435-5265, or Carol B. Tan, (202) 435-5265 for matters relating to section 482, or David Bergkuist (202) 622-3850 for matters relating to stewardship expenses; concerning submission of comments, the hearing, and/or, to be placed on the building access list to attend the hearing, [Insert Name], (202) 622-7180 (not toll-free numbers).

SUPPLEMENTARY INFORMATION:

Background and Explanation of Provisions

Temporary regulations in the Rules and Regulations section of this issue of the **Federal Register** amend the Income Tax Regulations (26 CFR parts 1 and 31) relating to section 482. The temporary regulations set forth guidance on the treatment of controlled services transactions, the allocation from intangibles under section 482, and stewardship expenses under section 861. The text of those regulations also serves as the text of these proposed regulations. The preamble to the temporary regulations explains the temporary regulations and these proposed regulations. These proposed regulations potentially affect controlled taxpayers within the meaning of section 482.

Special Analyses

It has been determined that this notice of proposed rulemaking is not a significant regulatory action as defined

in Executive Order 12866. Therefore, a regulatory assessment is not required. It also has been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. chapter 5) does not apply to these regulations, and because the regulation does not impose a collection of information on small entities, the Regulatory Flexibility Act (5 U.S.C. chapter 6) does not apply. Pursuant to section 7805(f) of the Internal Revenue Code (Code), this regulation has been submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on their impact on small business.

Comments and Public Hearing

Before these proposed regulations are adopted as final regulations, consideration will be given to any written comments (a signed original and eight (8) copies) or electronic comments that are submitted timely to the IRS. The IRS and Treasury Department specifically request comments on the clarity of the proposed rule and how it may be made easier to understand. All comments will be available for public inspection and copying.

A public hearing will be scheduled if requested in writing by any person that timely submits written comments. If a public hearing is scheduled, notice of the date, time, and place for the public hearing will be published in the Federal Register.

Drafting Information

The principal authors of these regulations are Thomas A. Vidano and Carol B. Tan, Office of Associate Chief Counsel (International).

Background and Purpose

On June 23, 2006, the Captain of the Port Duluth issued a Temporary Final Rule (71 FR 36012, CGD9-06-031, 33 CFR 165.T09-031) establishing a safety zone in Stryker Bay and Hallett Slips 6 & 7, which expires on November 30, 2003. The Coast Guard, through this action, intends to continue to ensure the safety of the public and boating traffic in the Stryker Bay area during the course of an environmental remediation project by establishing a permanent safety zone. This safety zone is intended to restrict vessel traffic from the portion of St. Louis River where construction and dredging are occurring. The size of the zone was determined by placing the boundaries approximately 50 feet beyond the outermost extent of dredging operations, encompassing all of Stryker Bay and Hallett Slips 6&7. The Coast Guard intends to cancel this safety zone upon completion of the mediation which is currently anticipated to last for three years.

Discussion of Proposed Rule

The Coast Guard proposes a safety zone to ensure the safety of boaters transiting this portion of the St. Louis River. This proposed safety zone is identical to the current safety zone established by the temporary final rule discussed above.

The proposed safety zone would encompass all waters of Stryker Bay and Hallett Slips 6 & 7 which are located north of a boundary line delineated by the following points: From the shoreline at 46°43'10.00" N, 092°10'31.66" W, then south to 46°43'06.24" N, 092°10'31.66" W, then east to
