*Comments are invited on:* (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB’s estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

*Title and purpose of information collection:* Application for Spouse Annuity Under the Railroad Retirement Act; OMB 3220–0042 Section 2(c) of the Railroad Retirement Act (RRA), provides for the payment of annuities to spouses of railroad retirement annuitants who meet the requirements under the RRA. The age requirements for a spouse annuity depend on the employee’s age and date of retirement and the employee’s years of railroad service. The requirements relating to the annuities are prescribed in 20 CFR 216, 218, 219, 232, 234, and 295.

The RRB currently uses the electronic AA–3cert, *Application Summary and Certification* process and manual Form AA–3, *Application for Spouse/Divorced Spouse Annuity*, to obtain the information needed to determine an applicant’s entitlement to an annuity and the amount of the annuity.

The AA–3cert process obtains information from an applicant by means of an interview with an RRB field-office representative. During the interview, the field-office representative enters the information obtained into an on-line information system. Upon completion of the interview, the applicant receives Form AA–3cert, *Application Summary and Certification*, which summarizes the information that was provided by/or verified by the applicant, for review and signature. The RRB also uses manual Form AA–3 in instances where the RRB representative is unable to contact the applicant in person or by telephone; *i.e.*, the applicant lives in another country.

The RRB estimates the burden for the collection as follows:

**Estimated Burden**

**RAILROAD RETIREMENT BOARD**

**Proposed Collection; Comment Request**

**SUMMARY:** In accordance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Form No.	Estimated annual responses	Estimated completion time (per response)	Estimated annual burden (hours)
AA–3cert .....	8,400	30	4,200
AA–3 (manual) .....	100	58	97
Total .....	8,500	.....	4,297

The RRB proposes to add new items to Form(s) AA–3cert and AA–3 to further document an applicant’s most recent nonrailroad work. The items ask for the applicant’s most recent job title and whether their employer is a seasonal employer. Non-burden-impacting changes are proposed to the certification statements of Form(s) AA–3cert and AA–3 that are intended to provide additional specificity regarding post-application events that require an applicant to contact the RRB. Other non-burden impacting, editorial (clarification) and formatting changes to Form AA–3cert and Form AA–3 are also proposed. Completion is required to obtain a benefit. One response is requested of each respondent.

*Additional Information or Comments:* To request more information or to obtain a copy of the information collection justification, forms, and/or supporting material, please call the RRB Clearance Officer at (312) 751–3363 or send an e-mail request to [Charles.Mierzwa@RRB.GOV](mailto:Charles.Mierzwa@RRB.GOV). **SECURITIES AND EXCHANGE COMMISSION**

**Submission for OMB Review; Comment Request**

Upon Written Request, Copies Available From: Securities and Exchange Commission; Office of Filings and Information Services Washington, DC 20549.

Extension: Rule 17f–1(b); SEC File No. 270–28; OMB Control No. 3235–0032.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

- Rule 17f–1(b): Requirements for reporting and inquiry with respect to missing, lost, counterfeit, or stolen securities

Rule 17f–1(b) (17 CFR 240.17f–1(b)) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) (the “Act”) requires approximately 26,000 entities in the securities industry to register in the Lost and Stolen Securities Program (“Program”). Registration fulfills a statutory requirement that entities report and inquire about missing, lost, counterfeit, or stolen securities. Registration also allows entities in the securities industry to gain access to a confidential database that stores information for the Program.

We estimate that 1,000 new entities will register in the Program each year. The staff estimates that the average number of hours necessary to comply with the Rule 17f-1(b) is one-half hour. The total burden is therefore 500 hours (1,000 times one-half) annually for all participants.

Rule 17f-1(b) is a registration obligation only. Registering under rule 17f-1(b) is mandatory to obtain the benefit of a central database that stores information about missing, lost, counterfeit, or stolen securities for the Program. Reporting institutions required to register under rule 17f-1(b) will not be kept confidential; however, the Program database will be kept confidential. Please note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

## SECURITIES AND EXCHANGE COMMISSION

### Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Rule 202(a)(11)-1; SEC File No. 270-471; OMB Control No. 3235-0532.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for extension of the

previously approved collection of information discussed below.

The title for the collection of information is "Certain Broker-Dealers Deemed Not To Be Investment Advisers." Rule 202(a)(11)-1 (17 CFR 275.202(a)(11)-1) under the Investment Advisers Act of 1940 (15 U.S.C. 80b-1 *et seq.*) ("Advisers Act") addresses the application of the Advisers Act to broker-dealers offering accounts charging an asset-based fee. The rule is intended to clarify when brokers offering these programs are subject to the provisions of the Advisers Act. The rule requires that all advertisements for brokerage accounts charging an asset-based fee and all agreements and contracts governing the operation of those accounts contain a certain prominent statement that the accounts are brokerage accounts and not advisory accounts. This collection of information is necessary so that customers are not confused with respect to the services that they are receiving, i.e., to prevent customers and prospective customers from mistakenly believing that the account is an advisory account subject to the Advisers Act. The collection assists customers in making informed decisions regarding whether to establish accounts.

The respondents to this collection of information are all broker-dealers that are registered with the Commission. The Commission has estimated that the average annual burden for ensuring compliance with the disclosure element of the rule is 5 minutes per broker-dealer taking advantage of the rule. If all of the approximately 6,158 broker-dealers registered with the Commission took advantage of the rule, the total estimated annual burden would be 511 hours (.083 hours x 6,158 brokers).

The rule imposes no additional requirements regarding record retention. The collection of information requirements under the rule are mandatory. Any information received by the Commission related to the rule would be kept confidential, subject to the provisions of the Freedom of Information Act, 5 U.S.C. 552. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

General comments regarding the above information should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or e-mail to:

*David\_Rostker@omb.eop.gov*; and (ii) R. Corey Booth, Director/Chief Information Officer, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, Virginia 22312, or send an e-mail to: *PRA\_Mailbox@sec.gov*. Comments must be submitted to OMB within 30 days of this notice.

Dated: July 31, 2006.

## SECURITIES AND EXCHANGE COMMISSION

### Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Rule 17f-1(c) and Form X-17F-1A; SEC File No. 270-29; OMB Control No. 3235-0037.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

- Rule 17f-1(c) and Form X-17F-1A: Reporting of missing, lost, stolen, or counterfeit securities.

Rule 17f-1(c) (17 CFR 240.17f-1(c)) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) (the "Act") requires approximately 26,000 entities in the securities industry to report lost, stolen, missing, or counterfeit securities certificates to the Commission or its designee, to a registered transfer agent for the issue, and, when criminal activity is suspected, to the Federal Bureau of Investigation. Such entities are required to use Form X-17F-1A (17 CFR 249.100) to make such reports. Filing these reports fulfills a statutory requirement that reporting institutions report and inquire about missing, lost, counterfeit, or stolen securities. Since these reports are compiled in a central database, the rule facilitates reporting institutions to access the database that stores information for the Lost and Stolen Securities Program.

We estimate that 26,000 reporting institutions will report that securities certificates are either missing, lost, counterfeit, or stolen annually and that
