Title: Application of Separate Limitations to Dividends From Noncontrolled Section 902 Corporations.

Abstract: The AJCA amended the foreign tax credit treatment of dividends from noncontrolled section 902 corporations effective for post-2002 tax years, and the GOZA permitted taxpayers to elect to defer the effective date of these amendments until post-2004 tax years. These regulations require a taxpayer making the GOZA election to file a statement to such effect with its next tax return, and they require certain shareholders wishing to make tax elections on behalf of their controlled foreign corporations or noncontrolled section 902 corporations to execute a joint consent (that is retained by one shareholder) and attach a statement to their tax returns. The respondents are primarily domestic corporations owning stock in foreign corporations.
