SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-54257; File No. SR-Phlx-2006-46]

Self-Regulatory Organizations; Philadelphia Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Extending the Specialist Option Transaction Charge Credit Pilot Program

August 1, 2006.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 21, 2006, the Philadelphia Stock Exchange, Inc. ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. The Exchange has designated this proposal as one establishing or changing a due, fee, or other charge imposed by a self-regulatory organization pursuant to Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to

solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to extend for a one-year period, until July 31, 2007, its current pilot program that provides for an option transaction charge credit of \$0.21 per contract for Exchange options specialist units⁵ that incur Phlx option transaction charges when a customer order is delivered to the limit order book via the Exchange's Options Floor Broker Management System ("FBMS")⁶ and is then sent to an away market and executed via the Intermarket Option Linkage ("Linkage") under the Plan for the Purpose of Creating and Operating an Intermarket Option Linkage ("Plan")⁷ as a Principal Acting as Agent Order ("P/A Order").⁸

The pilot program in effect is currently scheduled to expire on July 31, 2006.⁹ The text of the proposed rule change is available at the Commission's Public Reference Room, at the Office of the Secretary of the Exchange, and on the Exchange's Web site at <http://www.Phlx.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements

⁵ The terms "specialist" and "specialist unit" are used interchangeably.

⁶ The FBMS is a component of the Exchange's Automated Options Market (AUTOM) System designed to enable Floor Brokers and/or their employees to enter, route and report transactions stemming from options orders received on the Exchange. The FBMS also is designed to establish an electronic audit trail for options orders represented and executed by Floor Brokers on the Exchange, such that the audit trail provides an accurate, time-sequenced record of electronic and other orders, quotations and transactions on the Exchange, beginning with the receipt of an order by the Exchange, and further documenting the life of the order through the process of execution, partial execution, or cancellation of that order. See Phlx Rule 1080, Commentary .06.

⁷ See Securities Exchange Act Release Nos. 43086 (July 28, 2000), 65 FR 48023 (August 4, 2000); and 43573 (November 16, 2000), 65 FR 70851 (November 28, 2000) (order approving Phlx as a participant in the Plan).

⁸ A P/A order is an order for the principal account of a specialist (or equivalent entity on another participant exchange that is authorized to represent public customer orders), reflecting the terms of a related unexecuted public customer order for which the specialist is acting as agent. See Phlx Rule 1083(k)(i).

⁹ See Securities Exchange Act Release No. 53761 (May 5, 2006), 71 FR 27768 (May 12, 2006) (SR-Phlx-2006-20). This proposal is scheduled to be in effect for the same time period as fees for Linkage Principal Orders ("P Orders") and P/A Orders. See Securities Exchange Act Release No. 54233 (July 27, 2006) (SR-Phlx-2006-44).

concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Currently, the Exchange provides an option transaction charge credit of \$0.21 per contract for Exchange options specialist units that incur Phlx option transaction charges when a customer order is delivered to the limit order book via FBMS and is then sent to an away market and executed via Linkage under the Plan as a P/A Order.

The purpose of this proposal is to continue to alleviate the potential economic burden of multiple transaction charges imposed on Exchange specialist units by establishing a credit for Exchange option transaction charges incurred by an Exchange specialist unit when a customer limit order placed on the limit order book by a Floor Broker¹⁰ results in an execution of a P/A Order that is sent to another exchange via Linkage. The Exchange believes that continuing to give an options transaction charge credit of \$0.21 per contract should encourage the use of Linkage and should allow the Exchange to remain competitive with other exchanges with respect to the assessment of Linkage-related fees.¹¹

This proposal is to remain in effect as a pilot program until July 31, 2007.¹²

¹⁰ A Floor Broker who wishes to place a limit order on the limit order book must submit such a limit order electronically through the FBMS. See Phlx Rule 1063, Commentary .01. See also Phlx Rule 1080, Commentary .02(b).

¹¹ See Securities Exchange Act Release Nos. 53372 (February 24, 2006), 71 FR 11003 (March 3, 2006) (SR-CBOE-2006-10) (rebate of certain transaction fees to Designated Primary Market Makers related to the execution of outbound P/A orders) and 53526 (March 21, 2006), 71 FR 15794 (March 29, 2006) (SR-PCX-2006-19) (creating a credit associated with the fees a Market Maker is charged for executions that result from P/A Orders sent to and executed at away market centers). See also Securities Exchange Act Release No. 54064 (June 28, 2006), 71 FR 38438 (July 6, 2006) (SR-CBOE-2006-59).

¹² This proposal is in connection with an existing pilot program for Linkage P and P/A Orders and is in effect for the same time period as the pilot program for Linkage P and P/A Orders. The Exchange filed a separate proposed rule change to extend the fees for Linkage P and P/A orders for a

³ 15 U.S.C. 78s(b)(3)(A)(ii).

⁴ 17 CFR 240.19b-4(f)(2).

2. Statutory Basis

The Exchange believes that its proposal to amend its schedule of fees is consistent with Section 6(b) of the Act¹³ in general, and furthers the objectives of Section 6(b)(4) of the Act¹⁴ in particular, in that it is an equitable allocation of reasonable fees and other charges among Exchange members.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change establishes or changes a due, fee, or other charge applicable only to a member pursuant to Section 19(b)(3)(A)(ii) of the Act¹⁵ and Rule 19b-4(f)(2) thereunder.¹⁶ Accordingly, the proposal took effect upon filing with the Commission.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.¹⁷

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

BILLING CODE 8010-01-P

SOCIAL SECURITY ADMINISTRATION

Agency Information Collection

Activities: Proposed Request and Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages that will require clearance by the Office of Management and Budget (OMB) in compliance with

¹⁸ 17 CFR 200.30-3(a)(12).

Pub. L. 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. The information collection packages that may be included in this notice are for new information collections and revisions to OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and on ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Written comments and recommendations regarding the information collection(s) should be submitted to the OMB Desk Officer and the SSA Reports Clearance Officer. The information can be mailed and/or faxed to the individuals at the addresses and fax numbers listed below: (OMB) Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202-395-6974; (SSA) Social Security Administration, DCFAM, Attn: Reports Clearance Officer, 1333 Annex Building, 6401 Security Blvd., Baltimore, MD 21235, Fax: 410-965-6400.

I. The information collection listed below is pending at SSA and will be submitted to OMB within 60 days from the date of this notice. Therefore, your comments should be submitted to SSA within 60 days from the date of this publication. You can obtain copies of the collection instrument by calling the SSA Reports Clearance Officer at 410-965-0454 or by writing to the address listed above.

1. Vendor List Registration Form—0960-NEW. The Social Security Administration (SSA) maintains an Employer Wage Reporting and Instructions Vendor Web site. On this site, relevant vendors are allowed to list their products and services free of charge. Vendors wishing to list their information on the site can submit these requests via a written registration form, and will soon be able to use a new electronic means of submitting the information through the Web site itself. The respondents are vendors dealing with vendors who offer employer wage reporting services and want SSA to list their information on its Web site.

Type of Request: New information collection.

Number of Respondents: 500.

Frequency of Response: 1.

Average Burden Per Response: 8 minutes.

Estimated Annual Burden: 67 hours.

II. The information collections listed below have been submitted to OMB for clearance. Your comments on the information collections would be most
