On February 1, 2006, the Department published in the **Federal Register** a notice of initiation of administrative review of the antidumping duty order on certain cased pencils from the People's Republic of China, covering the period December 1, 2004, through November 30, 2005. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 71 FR 5241 (February 1, 2006). The preliminary results for this administrative review are currently due no later than September 5, 2006.¹

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department of Commerce ("Department") to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

Extension of Time Limits for Preliminary Results

The Department requires additional time to review and analyze the sales and cost information submitted by the respondent in this administrative

review. Moreover, the Department requires additional time to analyze complex issues related to surrogate value selections. Thus, it is not practicable to complete this review within the original time limit (*i.e.*, 245 days). Therefore, the Department is partially extending the time limit for completion of the preliminary results by 90 days to 335 days, in accordance with section 751(a)(3)(A) of the Act. Scope of Review

The products covered by the Agreement include hot-rolled iron and non-alloy steel universal mill plates (*i.e.*, flat-rolled products rolled on four faces or in a closed box pass, of a width exceeding 150 mm but not exceeding 1250 mm and of a thickness of not less than 4 mm, not in coils and without patterns in relief), of rectangular shape, neither clad, plated nor coated with metal, whether or not painted, varnished, or coated with plastics or other nonmetallic substances; and certain iron and non-alloy steel flat-rolled products not in coils, of rectangular shape, hot-rolled, neither clad, plated, nor coated with metal, whether or not painted, varnished, or coated with plastics or other nonmetallic substances, 4.75 mm or

more in thickness and of a width which exceeds 150 mm and measures at least twice the thickness. Included as subject merchandise in the Agreement are flat-rolled products of nonrectangular cross-section where such cross-section is achieved subsequent to the rolling process (*i.e.*, products which have been “worked after rolling”) for example, products which have been beveled or rounded at the edges. This merchandise is currently classified in the Harmonized Tariff Schedule of the United States (HTS) under item numbers 7208.40.3030, 7208.40.3060, 7208.51.0030, 7208.51.0045, 7208.51.0060, 7208.52.0000, 7208.53.0000, 7208.90.0000, 7210.70.3000, 7210.90.9000, 7211.13.0000, 7211.14.0030, 7211.14.0045, 7211.90.0000, 7212.40.1000, 7212.40.5000, and 7212.50.0000. Although the HTS subheadings are provided for convenience and customs purposes, the written description of the scope of the Agreement is dispositive. Specifically excluded from subject merchandise within the scope of this Agreement is grade X-70 steel plate.

Period of Review

The period of review (POR) is November 1, 2004 through October 31, 2005.

Preliminary Results of Review

Section 751(a)(1)(C) of the Tariff Act specifies that the Department shall “review the current status of, and compliance with, any agreement by reason of which an investigation was suspended.” In this case the Department and the GOU signed the Agreement suspending the antidumping duty investigation on CTL Plate from Ukraine on October 24, 1997. In order to effectively restrict the volume of exports of CTL Plate from Ukraine to the United States, Article VI of the Agreement provides for the implementation by the GOU of certain legal and administrative provisions. Moreover, Article VIII of the Agreement (Monitoring) requires the GOU to “provide to the Department such information as is necessary and appropriate to monitor the implementation of and compliance with the terms of [the] Agreement.” The Department primarily relies upon three tools to administer the Agreement: i) export licenses issued by the GOU, and received by the Department from U.S. Customs and Border Protection (CBP); ii) reference prices, revised quarterly by the Department; and iii) the annual export limits setting a quota on total imports of CTL plate from Ukraine. The GOU must restrict the volume of direct

and indirect exports of CTL plate from Ukraine to the United States by means of export licenses. In addition, subject merchandise may not be sold below the quarterly reference prices issued by the Department.

On January 19, 2006 and April 14, 2006, the Department issued questionnaires to the GOU. The GOU submitted its responses on February 27, 2006 and May 12, 2006, respectively. Our review of the information submitted by the GOU indicates that the GOU adhered to the major terms of the Agreement. The GOU implemented the provisions of the Agreement through the passage of Presidential Decrees, Orders of the Ministry of Foreign Economic Relations and Trade of Ukraine, and Statute of the Cabinet of Ministers of Ukraine. *See Exhibits 1 through 6 of the February 27, 2006 response.*

These legal enactments by the GOU established an export licensing program for all exports of CTL plate to the United States and mandated that merchandise would not be sold below the reference price. Pursuant to section VIII of the Agreement, the GOU conformed to the Agreement’s monitoring requirement by timely filing semi-annual reports indicating the volume of sales of CTL plate in the home market and to third countries. The GOU has also timely filed monthly reports on export licenses issued for sales of subject merchandise to the United States. The Agreement also stipulates the GOU must ensure compliance “by any official Ukrainian institution, chamber, or other entities authorized by the [GOU], all producers, exporters, brokers, and traders of CTL plate, and their affiliated parties, as well as independent trading companies/resellers utilized by the Ukrainian producer to make sales to the United States.” The Ukrainian producers conformed to this requirement by inserting a clause in their contracts which prohibited the re-exportation of subject merchandise to the United States without the written permission of the producer and required their customers to include re-exportation cautions in contracts of further resales of the goods.

Our review of the information submitted by the GOU indicates that each of the export licenses governed by the Agreement were at or above the quarterly FOB reference prices stipulated by the Agreement. Furthermore, data supplied by the GOU in its monthly reports, as well as our independent review of import data compiled by CBP, indicates Ukraine did not exceed its annual export limits. Therefore, we preliminarily determine

that the GOU has been in compliance with the Agreement.

Public Comment

An interested party may request a hearing within 30 days of publication of these preliminary results. See 19 CFR 351.310(c). Any hearing, if requested, will be held 37 days after the date of publication, or the first business day thereafter, unless the Department alters the date per 19 CFR 351.310(d). Interested parties may submit case briefs no later than 30 days after the date of publication of these preliminary results of review. See 19 CFR 351.309 (c). Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than 35 days after the date of publication of this notice. See 19 CFR 351.309(d). Parties who submit comments in these proceedings are requested to submit provide: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities. Further, parties submitting case briefs and/or rebuttal briefs are requested to provide the Department with an additional copy of the public version of any such briefs on diskette. The Department will issue the final results of this administrative review, including the results of our analysis of the issues raised in any written comments or at a hearing, if requested, within 120 days of publication of these preliminary results.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act.

Light-Walled Welded Rectangular Carbon Steel Tubing from Taiwan: Continuation of Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the Department of Commerce and the International Trade Commission that revocation of the antidumping duty order on light-walled welded rectangular carbon steel tubing from Taiwan would be likely to lead to continuation or recurrence of dumping

and of material injury to an industry in the United States within a reasonably foreseeable time, the Department is publishing notice of the continuation of this antidumping duty order.

EFFECTIVE DATE: August 9, 2006.

FOR FURTHER INFORMATION CONTACT: Edythe Artman or Minoo Hatten, Office 5, AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-3931 and (202) 482-1690, respectively.

SUPPLEMENTARY INFORMATION:

Background

On July 1, 2005, the Department of Commerce (the Department) initiated and the International Trade Commission (ITC) instituted the second sunset review of the antidumping duty order on light-walled welded rectangular carbon steel tubing from Taiwan pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act). See *Initiation of Five-year ("Sunset") Reviews*, 70 FR 38101 (July 1, 2005); *Institution of Five-year Reviews Concerning the Countervailing Duty Order on Welded Carbon Steel Pipe and Tube from Turkey and the Antidumping Duty Orders on Certain Pipe and Tube from Argentina, Brazil, India, Korea, Mexico, Taiwan, Thailand, and Turkey*, 70 FR 38204 (July 1, 2005). As a result of its review, the Department found that revocation of the antidumping duty order would be likely to lead to continuation or recurrence of dumping and notified the ITC of the magnitude of the margins likely to prevail were the order to be revoked. See *Light-Walled Welded Rectangular Carbon Steel Tubing from Argentina and Taiwan; Final Results of the Expedited Sunset Reviews of the Antidumping Duty Orders*, 70 FR 67432 (November 7, 2005). On June 29, 2006, the ITC determined pursuant to section 751(c) of the Act that revocation of the antidumping duty order on light-walled welded rectangular carbon steel tubing from Taiwan would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time. See *Certain Pipe and Tube from Argentina, Brazil, India, Korea, Mexico, Taiwan, Thailand, and Turkey*, 71 FR 42118 (July 25, 2006), and ITC Publication 3867 (July 2006) entitled *Certain Pipe and Tube from Argentina, Brazil, India, Korea, Mexico, Taiwan, Thailand, and Turkey: Investigation Nos. 701-TA-253 and 731-TA-132, 252,*

271, 409, 410, 532-534, and 536 (Second Review).

Scope of the Order

The product covered by this order is light-walled welded carbon steel pipes and tubes of rectangular (including square) cross-section having a wall thickness of less than 0.156 inch. This merchandise is classified under item number 7306.60.50.00 of the Harmonized Tariff Schedule of the United States. It was formerly classified under item number 610.4928 of the Tariff Schedules of the United States.

Determination

As a result of the determinations by the Department and ITC that revocation of this antidumping duty order would be likely to lead to continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the antidumping duty order on light-walled welded rectangular carbon steel tubing from Taiwan.

U.S. Customs and Border Protection will continue to collect antidumping duty cash deposits at the rates in effect at the time of entry for all imports of subject merchandise.

The effective date of continuation of this order will be the date of publication in the **Federal Register** of this Notice of Continuation. Pursuant to sections 751(c)(2) and 751(c)(6) of the Act, the Department intends to initiate the next five-year review of this order not later than July 2011.

This notice is in accordance with sections 751(c) and 777(i)(1) of the Act.

Dated: August 1, 2006.
