

Rate Schedule PACI-T2 (Supersedes Schedule PACI-T1)

Pacific Alternating Current Intertie Project; Schedule of Rate for Transmission Service

Effective: September 1, 2006, through September 30, 2009.

Available: Within the marketing area served by the Sierra Nevada Customer Service Region.

Applicable: To Customers receiving the Pacific Alternating Current Intertie (PACI) firm and/or non-firm transmission service.

Character and Conditions of Service: Transmission service for three-phase, alternating current at 60 hertz, delivered and metered at the voltages and points of delivery or receipt, adjusted for losses, and delivered to points of delivery. This service includes scheduling and system control and dispatch service needed to support the transmission service.

Formula Rate: The formula rate for PACI firm and non-firm transmission service includes three components:

Component 1:

PACI TRR

Western's PACI Seasonal Capacity

Where:

PACI TRR = PACI Seasonal Transmission Revenue Requirement, the Western Area Power Administration's (Western) costs associated with facilities that support the transfer capability of the PACI.

Western's PACI Seasonal Capacity = Western's share of PACI capacity (subject to curtailment) under the then current California-Oregon Intertie (COI) transfer capability for the season. Seasonal definitions for summer, winter, and spring are June through October, November through March, and April through May, respectively.

Western will update the rate from Component 1 of the formula rate for PACI firm transmission service at least 15 days before the start of each COI rating season. Rate change notifications will be posted on the Open Access Same-Time Information System.

Component 2: Any charges or credits associated with the creation, termination, or modification to any tariff, contract, or rate schedule accepted or approved by the Federal Energy Regulatory Commission (Commission) or other regulatory body will be passed on to each appropriate Customer. The Commission accepted or approved charges or credits apply to the service to which this rate methodology applies.

When possible, Western will pass through directly to the appropriate Customer, the Commission or other

regulatory body accepted or approved charges or credits in the same manner Western is charged or credited. If the Commission or other regulatory body accepted or approved charges or credits cannot be passed through directly to the appropriate Customer in the same manner Western is charged or credited, the charges or credits will be passed through using Component 1 of the PACI transmission service formula rate.

Component 3: Any charges or credits from the Host Control Area (HCA) applied to Western for providing this service will be passed through directly to the appropriate Customer in the same manner Western is charged or credited, to the extent possible. If the HCA costs or credits cannot be passed through to the appropriate Customer, the charges or credits will be passed through using Component 1 of the PACI transmission service formula rate.

Billing: The formula rate above applies to the maximum amount of capacity reserved for periods ranging from 1 hour to 1 month, payable whether used or not. Billing will occur monthly.

Adjustment for Losses: Losses incurred for service under this rate schedule will be accounted for as agreed to by the parties in accordance with the service agreement.

Adjustment for Audit Adjustments: Financial audit adjustments that apply to the revenue requirement under this rate schedule will be evaluated on a case-by-case basis to determine the appropriate treatment for repayment and cash flow management.

Meeting of the Local Government Advisory Committee

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The Local Government Advisory Committee (LGAC) will meet on Thursday, September 14, 2006, by conference call from 1-3 eastern daylight time. *The conference call in number is (866) 299-3188 and the conference code, when prompted, is "2025642791."* The Committee will be discussing the agenda for the full LGAC meeting on October 31-November 2, 2006.

The Committee will hear comments from the public between 2:15-2:30 p.m.

on the conference call. Each individual or organization wishing to address the LGAC meeting on the conference call will be allowed a maximum of five minutes to present their point of view. Please contact the Designated Federal Officer (DFO) at the number listed below to schedule agenda time. Time will be allotted on a first come, first serve basis, and the total period for comments may be extended, if the number of requests requires it.

This is an open meeting and all interested persons are invited to participate in the conference call. LGAC meeting minutes will be available after the meeting and can be obtained by an E-mail or written request to the DFO. Members of the public are requested to call the DFO at the number listed below if planning to participate.

DATES: The Local Government Advisory Committee will meet on September 14, 2006, by conference call from 1-3 eastern daylight time. The conference call in number is (866) 299-3188 and the conference code, when prompted, is "2025642791."

ADDRESSES: Additional information can be obtained by writing the DFO at 1200 Pennsylvania Avenue, NW., (1301A), Washington, DC 20460.

FOR FURTHER INFORMATION CONTACT: Contact Roy Simon, Designated Federal Officer for the Local Government Advisory Committee (LGAC) at (202) 564-3868, or by E-mail at Simon.Roy@epa.gov.

Information on Services for the Disability: For information on access or services for individuals with disability, or to request accommodation for a disability, please contact Roy Simon at (202) 564-3868. Please place requests at least 5 days prior to the meeting, to give EPA as much time as possible to process your request.

Dated: August 1, 2006.

Roy Simon,

Designated Federal Officer, Local Government Advisory Committee.
