SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The IC Clearance Official, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g., new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

Background

The claim in question arose when the Department's Assistant Deputy Secretary for Safe and Drug-Free Schools issued a program determination letter (PDL) on April 29, 2005. The PDL demanded a refund of \$114,923 of funds awarded to the MDC by the Department under the Youth Offenders program for fiscal years 2001 through 2003. This program, authorized by 20 U.S.C. 1151, provides State grants for workplace and community transition training for incarcerated youth offenders. The Assistant Deputy Secretary determined that a total of \$114,923 had been misspent for inappropriate space rental charges, excess costs for materials and textbooks, and payments for classes not begun by certain prisoners.

MDC filed a timely request for review of the PDL with the OALJ. The Administrative Law Judge suspended proceedings so that the parties could discuss settlement. During settlement discussions, the MDC provided the Assistant Deputy Secretary additional documentation and materials for review. After consideration of those materials, the Department proposes to compromise the claim of \$114,923 for \$78,965, nearly sixty-nine percent of the amount the Assistant Deputy Secretary disallowed in the PDL.

Based on the amount that would be repaid by MDC, the additional materials and documentation submitted by MDC while this appeal has been pending before the OALJ, and litigation risks and costs of proceeding through the administrative, and possibly, court

process for this appeal, the Department has determined that it would not be practical or in the public interest to continue this proceeding. Rather, under the authority in 20 U.S.C. 1234a(j), the Department has determined that compromise of this claim for a refund of \$78,965 is appropriate. The public is invited to comment on the Department's intent to compromise this claim. Additional information may be obtained by calling or writing to John R. Mason, Esq. at the telephone number listed under **FOR FURTHER INFORMATION CONTACT** or the address listed under **ADDRESSES**.

I. Funding Opportunity Description

Purpose of Program: The purposes of this program are to (1) help address State-identified needs for highly qualified personnel—in special education, related services, early intervention, and regular education—to work with infants or toddlers with disabilities, or children with disabilities; and (2) ensure that those personnel have the skills and knowledge—derived from practices that have been determined through research and experience to be successful—that are needed to serve those children.

Priority: In accordance with 34 CFR 75.105(b)(2)(v), this priority is from allowable activities specified in the statute (see sections 662(d) and 681(d) of the Individuals with Disabilities Education Act (IDEA)).

This priority is:

This priority supports and is limited to projects that train personnel at the preservice doctoral or postdoctoral level in early intervention, special education or related services and at the advanced graduate level (masters and specialists) in special education administration/

2. Training at the advanced graduate level (masters and specialists programs) in special education administration/supervision.

Note: Training that leads to a Doctor of Audiology (D Aud) degree is not included as part of this priority because training programs that lead to a D Aud degree are eligible to apply for funding under the Combined Priority for Personnel Preparation competition (CFDA 84.325K) announced in a notice inviting applications published elsewhere in this issue of the **Federal Register**.
