

found the December 2002 restructuring was *de facto* specific to Hynix within the meaning of section 771(5A)(D)(iii)(I) of the Act. See *AR1 Decision Memorandum* at 10–11.

Nothing on the record of this review would lead us to reconsider these prior specificity findings.

III. Programs Previously Found Not to Have Been Used or Provided No Benefits

We preliminarily determine that the following programs were not used during the POR: See Hynix's December 22, 2005, Questionnaire Response at 24 and the GOK's December 22, 2005, Questionnaire Response at 13.

- A. Short-term Export Financing
- B. 1. Tax Programs Under the TERCL and/or the RSTA
2. Tax Credit for Investment in Facilities for Productivity Enhancement (Article 25 of RSTA/ Article 25 of TERCL)
3. Tax Credit for Investment in Facilities for Special Purposes (Article 25 of RSTA)
4. Reserve for Overseas Market Development (formerly, Article 17 of TERCL)
5. Reserve for Export Loss (formerly, Article 16 of TERCL)
6. Tax Exemption for Foreign Technicians (Article 18 of RSTA)
7. Reduction of Tax Regarding the Movement of a Factory That Has Been Operated for More Than Five Years (Article 71 of RSTA)
- C. Tax Reductions or Exemption on Foreign Investments under Article 9 of the Foreign Investment Promotion Act ("FIPA")/ FIPA (Formerly Foreign Capital Inducement Law)
- D. Duty Drawback on Non-Physically Incorporated Items and Excessive Loss Rates
- E. Export Insurance
- F. Electricity Discounts Under the RLA Program
- G. System IC 2010 Project

In the first administrative review, the Department found that "any benefits provided to Hynix under the System IC 2010 Project are tied to non-subject merchandise" and, therefore, that "Hynix did not receive any countervailable benefits under this program during the POR," in accordance with 19 CFR 351.525(b)(5). See *AR1 Decision Memorandum* at 15. No new information has been provided with respect to this program. Therefore, we preliminarily find that Hynix did not receive any countervailing benefits from the System IC 2010 Project during the POR.

Preliminary Results of Review

In accordance with 19 CFR 351.221(b)(4)(i), we calculated an individual subsidy rate for Hynix Semiconductor, Inc., the producer/exporter covered by this administrative review. We preliminarily determine that the total estimated net countervailable subsidy rate for Hynix for calendar year 2004 is 31.86 percent *ad valorem*.

If the final results of this review remain the same as these preliminary results, the Department intends to instruct CBP, within 15 days of publication of the final results of this review, to liquidate shipments of DRAMS by Hynix entered or withdrawn from warehouse, for consumption from January 1, 2004, through December 31, 2004, at 31.86 percent *ad valorem* of the F.O.B. invoice price.

The Department also intends to instruct CBP to collect cash deposits of estimated countervailing duties at 31.86 percent *ad valorem* of the F.O.B. invoice price on all shipments of the subject merchandise from Hynix, entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review.

We will instruct CBP to continue to collect cash deposits for non-reviewed companies covered by this order at the most recent company-specific rate applicable to the company. Accordingly, the cash deposit rate that will be applied to non-reviewed companies covered by this order will be the rate for that company established in the investigation. See *Notice of Amended Final Affirmative Countervailing Duty Determination: Dynamic Random Access Memory Semiconductors from the Republic of Korea*, 68 FR 44290 (July 28, 2003). The "all others" rate shall apply to all non-reviewed companies until a review of a company assigned this rate is requested. The Department has previously excluded Samsung Electronics Co., Ltd. from this order. *Id.*

Public Comment

Interested parties may submit written arguments in case briefs within 30 days of the date of publication of this Notice. Rebuttal briefs, limited to issues raised in case briefs, may be filed not later than five days after the date of filing the case briefs. Parties who submit briefs in this proceeding should provide a summary of the arguments not to exceed five pages and a table of statutes, regulations, and cases cited. Copies of case briefs and rebuttal briefs must be served on interested parties in accordance with 19 CFR 351.303(f).

Interested parties may request a hearing within 30 days after the date of

publication of this notice. Unless otherwise specified, the hearing, if requested, will be held two days after the scheduled date for submission of rebuttal briefs.

The Department will publish a notice of the final results of this administrative review within 120 days from the publication of these preliminary results.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: August 7, 2006.

Joseph A. Spetrini,

Acting Assistant Secretary for Import Administration.

SUPPLEMENTARY INFORMATION:

VCAT Information

The VCAT was established in accordance with 15 U.S.C. 278 and the Federal Advisory Committee Act (5 U.S.C. app. 2).

Objectives and Duties

1. The Committee shall review and make recommendations regarding general policy for NIST, its organization, its budget, and its programs, within the framework of applicable national policies as set forth by the President and the Congress.

2. The Committee functions solely as an advisory body, in accordance with the provisions of the Federal Advisory Committee Act.

3. The Committee shall report to the Director of NIST.

4. The Committee shall provide a written annual report, through the Director of NIST, to the Secretary of Commerce for submission to the Congress on or before January 31 each year. Such report shall deal essentially, though not necessarily exclusively, with policy issues or matters which affect the Institute, or with which the Committee in its official role as the private sector policy adviser of the Institute is concerned. Each such report shall identify areas of research and research techniques of the Institute of potential importance to the long-term competitiveness of United States industry, which could be used to assist United States enterprises and United States industrial joint research and development ventures. The Committee shall submit to the Secretary and the Congress such additional reports on specific policy matters as it deems appropriate.

Membership

1. The Committee is composed of fifteen members that provide representation of a cross-section of traditional and emerging United States industries. Members shall be selected solely on the basis of established records of distinguished service and shall be eminent in one or more fields such as business, research, new product development, engineering, labor, education, management consulting, environment, and international relations. No employee of the Federal Government shall serve as a member of the Committee.

2. The Director of the National Institute of Standards and Technology shall appoint the members of the

Committee, and they will be selected on a clear, standardized basis, in accordance with applicable Department of Commerce guidance.

Miscellaneous

1. Members of the VCAT are not paid for their service, but will, upon request, be allowed travel expenses in accordance with 5 U.S.C. 5701 *et seq.*, while attending meetings of the Committee or of its subcommittees, or while otherwise performing duties at the request of the chairperson, while away from their homes or a regular place of business.

2. Meetings of the VCAT take place at the NIST headquarters in Gaithersburg, Maryland, and once each year at the NIST headquarters in Boulder, Colorado. Meetings are one or two days in duration and are held quarterly.

3. Committee meetings are open to the public.

Nomination Information

1. Nominations are sought from all fields described above.

2. Nominees should have established records of distinguished service and shall be eminent in fields such as business, research, new product development, engineering, labor, education, management consulting, environment and international relations. The category (field of eminence) for which the candidate is qualified should be specified in the nomination letter. Nominations for a particular category should come from organizations or individuals within that category. A summary of the candidate's qualifications should be included with the nomination, including (where applicable) current or former service on federal advisory boards and federal employment. In addition, each nomination letter should state that the person agrees to the nomination, acknowledge the responsibilities of serving on the VCAT, and will actively participate in good faith in the tasks of the VCAT. Besides participation in two-day meetings held each quarter, it is desired that members be able to devote the equivalent of two days between meetings to either developing or researching topics of potential interest, and so forth in furtherance of their Committee duties.

3. The Department of Commerce is committed to equal opportunity in the workplace and seeks a broad-based and diverse VCAT membership.

Dated: August 3, 2006.
