BILLING CODE 4710-05-P**TENNESSEE VALLEY AUTHORITY****Notice of Consideration of Standards**

SUMMARY: The Tennessee Valley Authority (TVA) is considering adopting for itself and the distributors of TVA power certain metering and interconnection standards. The standards being considered are the Time-based Metering & Communications (hereinafter called "Smart Metering"), Interconnection, and Net Metering standards listed in section 111(d) of the Public Utility Regulatory Act of 1978 (Pub. L. 95-617) as amended by the Energy Policy Act of 2005 (Pub. L. 109-58). The standards will be considered on the basis of their effect on conservation of energy, efficient use of facilities and resources, equity among electric consumers, and

the objectives of the Tennessee Valley Authority Act. In addition, the Smart Metering standard will be considered in light of whether the benefits to the electric utility and its consumers are likely to exceed the costs of new metering and communications. Comments are requested from the public on whether TVA should adopt these standards or any variations on them.

DATES: *Smart Metering Standard:* Written comments on this standard must be received by December 1, 2006.

Interconnection and Net Metering Standards: Written comments on these standards must be received by March 1, 2007.

Workshops: concerning the standards to be considered will be held throughout the Valley during October 2006 at times and locations to be announced. The times and locations will be posted on the Web at <http://www.tva.com/purpa> and will also be announced through various media outlets. In addition, to be placed on a list to receive notice of workshop times and locations from TVA via mail, please write to the contact person designated below.

ADDRESSES: *Written comments should be sent to:* PURPA Standards Hearings, Attn: Carl Seigenthaler, Tennessee Valley Authority, One Century Place, 26 Century Boulevard, Nashville, TN 37214.

Comments may also be submitted via the Web, at <http://www.tva.com/purpa>, and, as described below, through various means provided at the workshops.

FOR FURTHER INFORMATION CONTACT: Carl Seigenthaler, Tennessee Valley Authority, One Century Place, 26 Century Boulevard, Nashville, TN 37214, (615) 232-6070.

SUPPLEMENTARY INFORMATION: Of the standards being considered, the Public Utility Regulatory Act of 1978 (Pub. L. 95-617) as amended by the Energy Policy Act of 2005 (Pub. L. 109-58) requires that TVA consider these standards. Accordingly, data, views, and comments are requested from the public on the Smart Metering, Interconnection, and Net Metering standards. Comments on variations in any of the standards, as well as views for or against their adoption are welcome. The three standards are being presented in order to initiate consideration and obtain the public's views on the need and desirability of such standards. Determinations on the appropriateness of the standards will be made by the TVA Board of Directors. The TVA Board will also determine, what, if any,
