Submission for OMB Review; Comment Request

Title: Early Head Start Research and Evaluation Project: 5th-Grade follow-Up.

OMB No.: 0970-0143.

Description: The Administration for Children and Families (ACF) within the Department of Health and Human Services (HHS) is requesting comments on plans to collect 5th-grade follow-up data on children recruited into the Early Head Start Research and Evaluation study. This study is being conducted to assess children and families when the children in the study will be 5th graders or attending the 6th year of their formal schooling. Because of the way children and families were initially recruited for the study, it will take three years to collect 5th-grade data from the full sample of children. About 30 percent of the sample will be 5th graders in spring 2007, 50 percent in spring 2008, and 20 percent in spring 2009. Data will be

collected on a sample of approximately 1,900 children and families across all 17 of the Early Head Start research sites. Data collection will include a child assessment and a child interview, an interview with the child's primary caregiver (usually the child's mother), videotaping of mother-child interactions and a set of home observations, and a questionnaire to be completed by the child's 5th-grade teacher.

This data collection is necessitated by the mandates of the 1998 reauthorization of Head Start (Head Start Act, as amended, October 27, 1998, Section 649 (d) and (e)).

Respondents: Individuals or households.

Submission for OMB Review; Comment Request

Title: Objective Work Plan (OWP), Objective Progress Report (OPR) and Project Abstract.

OMB No. 0980-0204.

Description: The information collected by OWP is needed to properly administer and monitor the Administration for Native Americans (ANA) programs within the Administration for Children and Families (ACF). OWP assists applicants in describing their project's objectives

and activities, and also assists independent panel reviewers, ANA staff and the ANA Commissioner during the review and funding decision process. The information in OPR is being collected on a quarterly basis to monitor the performance of grantees and better gauge grantee progress. The

standardized format will allow ANA to report results across all its program areas and flag grantees that may need additional training and/or technical assistance to successfully implement their projects.

The Project Abstract provides crucial information in a concise format that is

utilized by applicants, independent reviewers, ANA staff and the ANA Commissioner.

Respondents: Tribal Govt., Native non-profits, Tribal Colleges & Universities.

Office Of Community Services; Community Economic Development Program

AGENCY: Office of Community Services, Administration for Children and Families (ACF), Department of Health and Human Services (HHS).

ACTION: Replacement Grant.

CFDA#: 93.570.

Legislative Authority: The Community Services Block Grant (CSBG) Act of 1981, as amended by section 680 (a)(2) of the Community Opportunities, Accountability, and Training and Educational Services Act of 1998.

Amount of Award: \$663,263.00.

Project Period: September 30, 2005 to September 29, 2008.

SUMMARY: The purpose of the Community Economic Development (CED) grants is to create new employment and business development opportunities for low-income individuals. The Office of Community Services (OCS) awarded a \$663,263 CED grant (Grant No. 90EE0720) to Hall Neighborhood House in Bridgeport, Connecticut, on September 29, 2005. Prior to the expenditure of any of the grant funds, the grantee informed OCS in a letter dated April 17, 2006, that it wished to "relinquish the management and operation of this program effective immediately." The letter stated the grantee's "current financial instability" as the reason for the action.

In an attempt not to lose the benefits for the community that were intended through the CED grant, OCS identified a possible replacement recipient: Action for Bridgeport Community Development, Inc (ABCD). The organization is being considered as a replacement recipient for the following reasons:

- ABCD is a previously successful CED grantee (grant #90EE0546).
- ABCD is headquartered approximately a mile and a half from the offices of Hall Neighborhood House (HNN) in Bridgeport, CT and will serve the same community. Also, ABCD and HNN have worked together in the past and reportedly have maintained a good working relationship.
- ABCD has a significantly sophisticated budget to manage this project effectively. (In 2003, the

organization had gross receipts of approximately \$20 million.).

- ABCD was recently selected by the Head Start Bureau to be the successor grantee of HNN's active Head Start grant.

- ACF Region I Administrator Hugh Galligan speaks highly of the performance of ABCD and has recommended that it be the replacement recipient.

OCS has received and reviewed an application from ABCD. Upon finding that the proposed project is significantly similar to the one chosen for funding through HNN, OCS has requested that ABCD be approved as the permanent replacement recipient for Grant No. 90EE0720.
