Public Notice for Waiver of Aeronautical Land-Use Assurance Watertown Municipal Airport, Watertown, WI

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice of intent of waiver with respect to land.

SUMMARY: The Federal Aviation Administration (FAA) is giving notice that a portion of the airport property containing 2.3 acres located at the southeast corner of Air Park Drive and Airport Rd. is not needed for aeronautical use as currently identified on the airport Layout Plan.

This parcel was originally acquired through Grant No. AIP-01 in 1989. The parcel was an uneconomic remnant left from reconfiguration of a roadway intersection alongside the edge of the airport. The parcel is segregated from the airport and is not accessible from the air operations area. The land comprising this parcel is, therefore, no longer needed for aeronautical purposes. Income from the sale will be used to improve the airport. There are no impacts to the airport by allowing the airport to dispose of the property.

In accordance with section 47107(h) of title 49, United States Code, this notice is required to be published in the **Federal Register** 30 days before modifying the land-use assurance that requires the property to be used for an aeronautical purpose.
