SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-54319; File No. SR-NASD-2006-060]

Self-Regulatory Organizations: National Association of Securities Dealers, Inc.; Notice of Filing of Proposed Rule Change To Require Members To File Regulatory Notices With NASD Electronically

August 15, 2006.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act" or "Exchange Act")¹ and Rule 19b-4 under the Act,² notice is given that on May 16, 2006, the National Association of Securities Dealers, Inc. ("NASD") filed with the Securities and Exchange Commission ("Commission") the

proposed rule change as described in Items I, II, and III below. These items have been prepared by NASD. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

NASD proposes to adopt NASD Rule 3170 to provide NASD with the authority to require member firms to file or submit electronically with NASD any regulatory notice or other document that member firms are required to file with (or otherwise submit to) NASD. NASD may specify the electronic format to be used. The proposed rule change does not specify the particular regulatory notices or documents that NASD will require members to file electronically. Instead, NASD's proposed rule change would give NASD authority to require members to file or submit electronically with NASD any specified regulatory notice or document. NASD plans to require members to file certain specified notices with NASD via an electronic, Internet-based receiving and processing system ("System"), using templates developed by NASD for each notice. The System will be available to members on NASD's Internet Web site.

Below is the text of the proposed rule change. Proposed new language is in italic.

* * * * *

3170. Mandatory Electronic Filing Requirements

Each member shall be required to file with NASD, or otherwise submit to NASD, in such electronic format as NASD may require, all regulatory notices or other documents required to be filed or otherwise submitted to NASD, as specified by NASD.

* * * * *

II. Self-Regulatory Organization's Statement Concerning the Proposed Rule Change

In its filing with the Commission, NASD included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NASD has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of the statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to provide NASD with the authority to require member firms to file or submit electronically with NASD any regulatory notice or other document that member firms are required to file with (or otherwise submit to) NASD. NASD may specify the electronic format to be used. The proposed rule change does not specify the particular regulatory notices or documents that NASD will require members to file electronically. Instead, NASD's proposed rule change would give NASD authority to require members to file or submit electronically with NASD any specified regulatory notice or document.

Upon approval of the rule change, NASD will issue a Notice to Members and other member communications, as appropriate, to advise its members which regulatory notices or documents members will be required to file or submit electronically to NASD and the date on which electronic filing or submission of these notices or documents will be required. These communications will also advise members that as of the specified date, electronic filing or submission of the specified regulatory notices or documents will be mandatory, and that NASD will no longer accept facsimile or other non-electronic transmissions of these notices or documents.

NASD notes that, upon approval of the proposed rule change, NASD, as a member's designated examining authority, examining authority, or regulatory authority that examines the firm as to financial responsibility ("DEA"), plans to require members to file certain notices that must be filed with NASD under the following Exchange Act Rules electronically:³

- Rule 15c3-1(e)—Withdrawals of equity capital
- Rule 15c3-3(i)—Special Reserve Bank Account
- Rule 17a-4(f)(2)(i); Rule 17a-4(f)(3)(vii)—Electronic storage media
- Rule 17a-5(f)(4)—Replacement of accountant
- Rule 17a-11(b)—Net capital deficiency
- Rule 17a-11(c)(1)—Aggregate indebtedness is in excess of 1200 percent of net capital

³ NASD has requested relief from the Commission with respect to these Exchange Act rules. Electronic filing of notices with NASD does not affect requirements in those rules to file notices with the Commission or other securities regulatory agencies.
