Federal Agency Seeking Degree-Granting Authority

In accordance with the Federal policy governing the granting of academic degrees by Federal agencies (approved by a letter from the Director, Bureau of the Budget, to the Secretary, Health, Education, and Welfare, dated December 23, 1954), the Secretary is required to establish a review committee to advise the Secretary concerning any legislation that may be proposed that would authorize the granting of degrees by a Federal agency. The review committee forwards its recommendation concerning a Federal agency's proposed degree-granting authority to the Secretary, who then forwards the committee's recommendation and the Secretary's recommendation to the Office of Management and Budget for review and transmittal to the Congress. The Secretary uses the Advisory Committee as the review committee required for this purpose. Accordingly, the Advisory Committee will review the following institution at this meeting:

Proposed Master's Degree-Granting Authority

1. National Defense University, Washington, DC (request to award a Master's in Arts in Strategic Security Studies degree).

Who Can Make Third-Party Oral Presentations at This Meeting?

We invite you to make a third-party oral presentation before the National Advisory Committee concerning the recognition of any agency published in this notice.

How Do I Request To Make an Oral Presentation?

You must submit a written request to make an oral presentation concerning an agency listed in this notice to the contact person identified earlier in this notice so that the request is received via mail, fax, or e-mail no later than October 2, 2006. Your request (no more than 6 pages maximum) must include:

1. The names, addresses, phone and fax numbers, and e-mail addresses of all persons seeking an appearance,
2. The organization they represent, and
3. A brief summary of the principal points to be made during the oral presentation.

If you wish, you may attach documents illustrating the main points of your oral testimony. Please keep in mind, however, that any attachments are included in the 6-page limit.

Please do not send materials directly to Committee members. Only materials submitted by the deadline to the contact person listed in this notice and in accordance with these instructions become part of the official record and are considered by the Committee in its deliberations. Documents received after the October 2, 2006 deadline will not be distributed to the National Advisory Committee for their consideration. Individuals making oral presentations may not distribute written materials at the meeting.

If I Cannot Attend the Meeting, Can I Submit Written Comments Regarding an Accrediting Agency in Lieu of Making an Oral Presentation?

This notice requests third-party oral testimony, not written comment. Requests for written comments on agencies that are being reviewed during this meeting were published in the **Federal Register** on July 26, 2006. The National Advisory Committee will receive and consider only written comments submitted by the deadline specified in the above-referenced **Federal Register** notice.

How Do I Request To Present Comments Regarding General Issues Rather Than Specific Accrediting Agencies?

At the conclusion of the meeting, the National Advisory Committee, at its discretion, may invite attendees to

address the Committee briefly on issues pertaining to the functions of the Committee, which are listed earlier in this notice. If you are interested in making such comments, you should inform Ms. Paris-Albertson before or during the meeting.

How May I Obtain Access to the Records of the Meeting?

We will record the meeting and make a transcript available for public inspection at the U.S. Department of Education, 1990 K St., NW., Washington, DC 20006 between the hours of 9 a.m. and 4:30 p.m., Monday through Friday, except Federal holidays.
