The Forest Service will inform persons requesting confidentiality of the agency's decision regarding their request, and where the request is denied, the agency will return the submission and notify the requester that the comments may be resubmitted with or without the name and address within seven days.

Permits or Licenses Required

The permits listed below are required to implement the project, if the Long Island LTF is used. These permits are current and are held by Huna Totem Corporation. The Forest Service has a cost-share agreement with the Huna Totem Corporation to utilize the LTF under the following permits:

1. U.S. Army Corps of Engineers

- Approval of discharge of dredged or fill material into the waters of the United States under Section 404 of the Clean Water Act;
- Approval of the construction of structures or work in navigable waters of the United States under section 10 of the Rivers and Harbors Act of 1899;

2. U.S. Environmental Protection Agency

- Storm water discharge permit/National Pollutant Discharge Elimination System review under section 402 of the Clean Water Act (402);
- Review Spill Prevention Control and Countermeasure Plan;

3. State of Alaska, Department of Environmental Conservation

- Certification of Compliance with Alaska Water Quality Standards (401 Certification);
- Solid Waste Disposal Permit;

4. State of Alaska, Department of Natural Resources (DNR)

- Authorization for occupancy and use of tidelands and submerged lands. In addition to the above permits, the Forest Service is required to obtain concurrence from the State of Alaska, Office of Project Management & Permitting (in the Department of Natural Resources) on a coastal zone consistency determination to proceed with the Proposed Action.

Responsible Official

The Forest Supervisor, Tongass National Forest, Federal Building, 648 Mission Street, Ketchikan, Alaska 99901, is the responsible official.

Nature of the Decision To Be Made

The responsible official will decide whether or not to authorize timber harvest within the Iyouktug project area, and if so, how this timber would be harvested. The responsible official would also determine the location of OGR boundaries. The Responsible Official will consider the comments, responses, and disclosure of environmental consequences displayed in the FEIS, and applicable laws, regulations, and policies in making a decision. The Responsible Official will state the decision and the rationale for the decision in the Record of Decision (ROD).
