Honey from the People's Republic of China: Notice of Extension of Time Limit for Final Results of 2004/2005 New Shipper Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: August 28, 2006.

FOR FURTHER INFORMATION CONTACT:

Kristina Boughton or Bobby Wong, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-8173 or (202) 482-0409, respectively.

SUPPLEMENTARY INFORMATION:

Background

On June 7, 2006, the Department of Commerce (the Department) published in the *Federal Register* the preliminary results of these new shipper reviews. *Honey from the People's Republic of China: Intent to Rescind and Preliminary Results of Antidumping Duty New Shipper Reviews*, 71 FR 32923 (June 7, 2006).

Extension of Time Limits for Final Results

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(i)(1) require the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated and final results of a review within 90 days after the date on which the preliminary results were issued. The Department may, however, extend the deadline for completion of the final results of a new shipper review to 150 days if it determines that the case is

extraordinarily complicated. See section 751(a)(2)(B)(iv) of the Act, and 19 CFR 351.214(i)(2).

At the request of interested parties, the Department extended the deadline for the submission of surrogate value information and case and rebuttal briefs by three weeks. As a result of the extensions and the extraordinarily complicated issues raised in this review segment, including the honey valuation and *bona fides* issues, it is not practicable to complete these new shipper reviews within the current time limit. Accordingly, the Department is extending the time limit for the completion of the final results by 30 days until September 27, 2006, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2).

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: August 21, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.
