SUPPLEMENTARY INFORMATION:

Title of Collection: Model Institutions for Excellence Graduates' Survey.

OMB Approval Number: 3145-NEW.
Expiration Date of Approval: Not Applicable.

Type of Request: Intent to seek approval to establish an information collection for three years.

Proposed Project: The Division of Human Resource Development (EHR/HRD) of the National Science Foundation (NSF) has requested impact information on the Model Institutions for Excellence (MIE) Program. Jointly funded by NSF and the National Aeronautics and Space Administration (NASA), the MIE Program funded eight minority-service undergraduate institutions to promote under represented minority participation in the fields of science, technology, engineering and mathematics (STEM).

Now NSF seeks follow-up information on program graduates to determine whether or not they have continued their education in STEM graduate programs and/or STEM employment, and how the MIE program influence their decisions with respect to graduate school and employment. NSF proposed a one-time on-line survey of the 931 MIE students who received bachelor's degrees in a STEM field from one of the MIE colleges between 2002 through 2005.

Estimate of Burden: The Foundation estimates that, on average, 30 minutes per respondent will be required to complete the survey, for a total of 465.5 hours for all respondents. Respondents from the eight institutions that received NSF MIE support will complete this survey once.

Respondents: STEM graduates from MIE programs.

Estimated Number of Responses: 931.

Estimates Total Annual Burden on Respondents: 465.5 hours.

Dated: August 29, 2006.

PENSION BENEFIT GUARANTY CORPORATION

Request for Extension of Approval of a Collection of Information Under the Paperwork Reduction Act; Comment Request; Customer Satisfaction Surveys and Focus Groups

AGENCY: Pension Benefit Guaranty Corporation.

ACTION: Notice of request for extension of OMB approval.

SUMMARY: The Pension Benefit Guaranty Corporation is requesting that the Office of Management and Budget extend its approval of a collection of information under the Paperwork Reduction Act. The purpose of the information collection, which will be conducted through focus groups and surveys over a three-year period, is to help the PBGC assess the efficiency and effectiveness with which it serves its customers and to design actions to address identified problems.

DATES: Comments should be submitted by October 5, 2006.

ADDRESSES: Comments may be mailed to the Office of Information and Regulatory Affairs of the Office of Management and Budget, Attn: Desk Officer for Pension Benefit Guaranty Corporation,

Washington, DC 20503. Copies of the request for extension (including the collection of information) may be obtained without charge by writing to the Disclosure Division of the Office of the General Counsel of PBGC at 1200 K Street, NW., 11th Floor, Washington, DC 20005-4026, or by visiting or calling (202-326-4040) the Disclosure Division during normal business hours. (TTY and TDD users may call the Federal relay service toll-free at 1-800-877-8339 and ask to be connected to 202-326-4040.)

FOR FURTHER INFORMATION CONTACT:

Thomas H. Gabriel, Attorney, Legislative and Regulatory Department, Pension Benefit Guaranty Corporation, 1200 K Street, NW., Washington, DC 20005-4026, 202-326-4024. (TTY and TDD users may call the Federal relay service toll-free at 1-800-877-8339 and ask to be connected to 202-326-4024.)

SUPPLEMENTARY INFORMATION: An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The PBGC is requesting that OMB extend its approval, for a three-year period, of a generic collection of information consisting of customer satisfaction focus groups and surveys (OMB No. 1212-0053; expires October 31, 2006). The information collection will further the goals of Executive Order 12862, Setting Customer Service Standards, which states the Federal Government must seek to provide "the highest quality of service delivered to customers by private organizations providing a comparable or analogous service."

The PBGC uses customer satisfaction focus groups and surveys to find out about the needs and expectations of its customers and assess how well it is meeting those needs and expectations. By keeping these avenues of communication open, the PBGC can continually improve service to its customers, including plan participants and beneficiaries, plan sponsors and their affiliates, plan administrators, pension practitioners, and others involved in the establishment, operation and termination of plans covered by the PBGC's insurance program. Because the areas of concern to the PBGC and its customers vary and may quickly change, it is important that the PBGC have the ability to evaluate customer concerns quickly by developing new vehicles for gathering information under this generic approval. The focus groups and surveys will provide important information on customer attitudes about the delivery and quality of agency services and will

be used as part of an ongoing process to improve PBGC programs.

Participation in the focus groups and surveys will be voluntary. The PBGC estimates that the annual burden for this collection of information will total 1,400 hours for 4,200 respondents. The PBGC further estimates that the cost to respondents per burden hour will average \$65, resulting in a total cost of \$91,000 ($\$65 \times 1,400$). The PBGC will consult with OMB regarding each specific information collection during the approval period.

On May 8, 2006, the PBGC published in the **Federal Register** a notice of intention to request extension of OMB approval of this collection. No comments were received in response to the notice.

Issued at Washington, DC, this 30th day of August 2006.

Cris Birch,

Acting Chief Information Officer, Pension Benefit Guaranty Corporation.

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available

From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension:

Rule 17a-5; SEC File No. 270-155; OMB Control No. 3235-0123.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 17a-5 (17 CFR 240.17a-5) is the basic financial reporting rule for brokers and dealers.¹ The Rule requires the filing of the Financial and Operational Combined Uniform Single Report ("FOCUS Report") on Form X-17A-5 (17 CFR 240.15c3-1e), which was the result of years of study and comments by representatives of the securities industry through advisory committees and through the normal rule proposal methods. The FOCUS Report was

designed to eliminate the overlapping regulatory reports required by various self-regulatory organizations and the Commission and to reduce reporting burdens as much as possible. The Rule also requires the filing of an annual audited report of financial statements.

The FOCUS Report consists of: (1) Part I, which is a monthly report that must be filed by brokers or dealers that clear transactions or carry customer securities; (2) one of three alternative quarterly reports: Part II, which must be filed by brokers or dealers that clear transactions or carry customer securities; Part IIA, which must be filed by brokers or dealers that do not clear transactions or carry customer securities; and Part IIB, which must be filed by specialized broker-dealers registered with the Commission as OTC derivatives dealers;² (3) supplemental schedules, which must be filed annually; and (4) a facing page, which must be filed with the annual audited report of financial statements. Under the Rule, a broker or dealer that computes certain of its capital charges in accordance with Appendix E to Exchange Act Rule 15c3-1 (17 CFR 240.15c3-1e) must file additional monthly, quarterly, and annual reports with the Commission.

The variation in the size and complexity of brokers and dealers subject to Rule 17a-5 and the differences in the FOCUS Report forms that must be filed under the Rule make it difficult to calculate the cost of compliance. However, we estimate that, on average, each report will require approximately 12 hours. At year-end 2005, the Commission estimates that there were approximately 6,200 brokers or dealers, and that of those firms, there were approximately 600 brokers or dealers that clear transactions or carry customer securities. In addition, approximately 400 firms filed annual reports. The Commission therefore estimates that approximately 600 firms filed monthly reports, approximately 5,600 firms filed quarterly reports, and approximately 400 firms filed annual reports. In addition, approximately 6,200 firms filed annual audited reports. As a result, there were approximately 36,200 total annual responses ($(600 \times 12) + (5,600 \times 4) + 400 + 6,200 = 36,200$). This results in an estimated annual burden of 434,400 hours ($36,200 \text{ annual responses} \times 12 \text{ hours} = 434,400$).

In addition, we estimate that approximately 11 brokers or dealers will elect to use Appendix E to Rule 15c3-1 to compute certain of their capital charges (as of June 2006, five brokers or dealers have elected to use Appendix E). We estimate that the average amount of time necessary to prepare and file the additional monthly reports that must be filed by these firms is about 4 hours per month, or approximately 48 hours per year; the average amount of time necessary to prepare and file the additional quarterly reports is about 8 hours per quarter, or approximately 32 hours per year; and the average amount of time necessary to prepare and file the additional supplemental reports with the annual audit required is approximately 40 hours per year. Consequently, we estimate that the total additional annual burden for these 11 brokers or dealers is approximately 1,320 hours ($(48 + 32 + 40) \times 11 = 1,320$).

The Commission therefore estimates that the total annual burden under Rule 17a-5 is approximately 435,700 hours ($434,400 + 1,320 = 435,720$, rounded to 435,700).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Comments should be directed to: R. Corey Booth, Director/Chief Information Officer, Securities and Exchange Commission, c/o Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312, or by e-mail to PRA_Mailbox@sec.gov. Comments must be submitted to the Office of Management and Budget within 60 days of this notice.

Dated: August 28, 2006.

Nancy M. Morris,
Secretary.
