SUPPLEMENTARY INFORMATION:**Description of the SBDC Program**

A partnership exists between SBA and an SBDC. SBDCs offer training, counseling and other business development assistance to small businesses. Each SBDC provides services under a negotiated Cooperative Agreement with the SBA. SBDCs operate on the basis of a state plan to provide assistance within a state or geographic area. The initial plan must have the written approval of the Governor. Non-Federal funds must match Federal funds. An SBDC must operate according to law, the Cooperative Agreement, SBA's regulations, the annual Program Announcement, and program guidance.

Program Objectives

The SBDC program uses Federal funds to leverage the resources of states,

academic institutions and the private sector to:

- (a) Strengthen the small business community;
- (b) Increase economic growth;
- (c) Assist more small businesses; and
- (d) Broaden the delivery system to more small businesses.

SBDC Program Organization

The lead SBDC operates a statewide or regional network of SBDC service centers. An SBDC must have a full-time Director. SBDCs must use at least 80 percent of the Federal funds to provide services to small businesses. SBDCs use volunteers and other low cost resources as much as possible.

SBDC Services

An SBDC must have a full range of business development and technical assistance services in its area of operations, depending upon local needs, SBA priorities and SBDC program objectives. Services include training and counseling to existing and prospective small business owners in management, marketing, finance, operations, planning, taxes, and any other general or technical area of assistance that supports small business growth.

The SBA district office and the SBDC must agree upon the specific mix of services. They should give particular attention to SBA's priority and special emphasis groups, including veterans, women, exporters, the disabled, and minorities.

SBDC Program Requirements

An SBDC must meet programmatic and financial requirements imposed by statute, regulations or its Cooperative Agreement. The SBDC must:

- (a) Locate service centers so that they are as accessible as possible to small businesses;
- (b) Open all service centers at least 40 hours per week, or during the normal business hours of its state or academic Host Organization, throughout the year;
- (c) Develop working relationships with financial institutions, the investment community, professional associations, private consultants and small business groups; and
- (d) Maintain lists of private consultants at each service center.

Dated: August 25, 2006.

Antonio Doss,

Associate Administrator for Small Business Development Centers.
