Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a summary of information collection requests under OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these documents, call the SAMHSA Reports Clearance Officer on (240) 276–1243.

Project: Social Network Analysis of a Service System for Transition Aged Youth—New

SAMHSA’s, Center for Mental Health Services will seek information about the change in the network of social services in one community, Clark County Washington, as a result of a Center for

Mental Health Services funded grant initiative, the Options Program. The Options Program was one of 5 funded sites across the country. Each site received four years of funding to build comprehensive supports that help adolescents with serious emotional disturbance and their families make the difficult transition from adolescent to adult functioning through the age of 25. This grant program, called the Partnerships for Youth Transition, aims to remediate some of the most difficult system barriers that interfere with transition system building by providing community leaders and advocates funding for direct services and infrastructure building, technical assistance to help shape the vision, and time to establish programs and interagency relationships. Since no single site in the country has ever successfully built a transition support system we do not know whether combining the resources of this grant, with the resources of the community are sufficient to make significant strides in transition system building. It is imperative to answer this question systematically and rigorously in order to guide future efforts.

There have been 110 agencies identified in Clark County that could potentially serve youth or young adults with serious mental, emotional and behavioral disorders. This study will conduct network analysis by interviewing one key informant from each of these programs about their organization’s professional relationship with other social services. The Social Network Questionnaire was previously developed for use in several studies in mental health and homeless services. Questions focus on aspects of professional relationship such as how often clients are referred to another agency and how often staff meet for client planning purposes with staff from another agency, as well as some background information about the agency and the quality of services offered. An additional 10 items focus on whether the program is following guidelines for exemplary practice with transition aged youth. Findings will be compared to data collected prior to program initiation.

The following table summarizes the estimated response burden for this project.

Respondent	Number of respondents	Responses/respondent	Total responses	Hours per response	Total hour burden
Key informants from social services in Clark County	110	1	110	1.25	137.5

Written comments and recommendations concerning the proposed information collection should be sent by October 10, 2006 to: SAMHSA Desk Officer, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503; due to potential delays in OMB's receipt and processing of mail sent through the U.S. Postal Service, respondents are encouraged to submit comments by fax to: 202-395-6974.

Dated: August 28, 2006.

Coast Guard

[USCG-2006-24860]

MARPOL—List of Ports and Terminals Holding Certificates of Adequacy for Reception Facilities

AGENCY: Coast Guard, DHS.

ACTION: Notice.

SUMMARY: The Coast Guard announces the electronic publication of lists of all U.S. ports and terminals holding valid Certificates of Adequacy (COAs). COAs are issued as evidence that a U.S. terminal or port meets the requirements of Annexes I, II, and V of the 1978 Protocol to the International Convention for the Prevention of Pollution from Ships (MARPOL 73/78). The Coast Guard expects that greater knowledge of these facilities will reduce discharge of oil, noxious liquid substances, and garbage into the marine environment.

DATES: This notice is effective on September 7, 2006. The lists at the Web site listed below include all COAs issued and effective as of September 7, 2006.

FOR FURTHER INFORMATION CONTACT: If you have questions regarding this notice, contact Lieutenant Commander Josh McTaggart, U.S. Coast Guard, telephone 202-267-0514 or e-mail JMcTaggart@comdt.uscg.mil.

SUPPLEMENTARY INFORMATION: Publication of Certificate of Adequacy (COA) lists is authorized by 33 U.S.C. 1905(d), and is intended to aid owners, operators, and agents of ships to identify ports and terminals that have been certified by the Coast Guard as having facilities adequate for accepting residues and mixtures containing oil or noxious liquid substances (NLSs), or for accepting garbage from seagoing ships. The list of ports and terminals holding COAs is available on the Internet at <http://cgmix.uscg.mil/default.aspx>, by clicking on the Web site link entitled "MARPOL Certificates of Adequacy."

Definitions of the terms used in the Web site appear in 33 CFR 158.120.

The Web site contains a list of ports and terminals possessing valid COAs issued under 33 CFR part 158, Subpart B (Criteria for Reception Facilities: Oily Mixtures). The list provides the names, locations, telephone numbers, and quantities of oily waste that these facilities can accept.

The Web site also contains a list of ports and terminals holding COAs issued under 33 CFR part 158, subpart C (Criteria for Certifying That a Port's or Terminal's Facilities Are Adequate for Receiving NLS Residue). The list provides the names, locations, telephone numbers, and types of various NLS waste that these facilities can accept.

Finally, the Web site contains a list of ports and terminals holding valid COAs issued under 33 CFR part 158, subpart D (Criteria for Adequacy of Reception Facilities: Garbage). The list provides the names, locations, and telephone numbers of these ports and terminals.

Dated: August 14, 2006.

J.G. Lantz,

Director of National and International Standards, Assistant Commandant for Prevention.
