

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may also notify you informally.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as specified by the Secretary in 34 CFR 75.118 and in 34 CFR 648.66.

4. *Performance Measures:* Under the Government Performance and Results Act (GPRA), three measures have been developed for evaluating the overall effectiveness of the Graduate Assistance in Areas of National Need program: (1) The percentage of fellows in the Graduate Assistance in Areas of National Need program who obtain a terminal degree in an area of national need, compared to the national average; (2) The percentage of fellows in the Graduate Assistance in Areas of National Need program from traditionally underrepresented populations who obtain a terminal degree in an area of national need; and (3) The median duration of time from entering graduate school until degree completion compared to comparable doctoral students as identified annually in the Survey of Earned Doctorates.

All grantees will be expected to submit an annual performance report documenting their success in addressing these performance measures.
