

trade, and, in general, to protect investors and the public interest. The Commission believes that the proposed rule change is consistent with the provision of the Act noted above because it will help investors understand procedures for preserving their rights in the event of erroneous or unauthorized transactions in their accounts.

While the Commission believes that the proposal would improve NASD's current customer account disclosure requirements, we believe that the disclosure would be more beneficial to investors if it required NASD members to include on account statements both introducing and clearing firm contact information sufficient to allow investors to timely report unauthorized transactions or other account discrepancies to both firms (if the firms are different). We believe such disclosure would be consistent with current Commission guidance on this issue.²⁴ We also believe that such disclosure would address the concerns of some commenters that the current proposal could be enhanced to ensure that a customer's concern is delivered to the most appropriate person at the firm.²⁵ The Commission therefore encourages NASD to issue a Notice to Members regarding the proposed change to Rule 2340 that reminds member firms of their current obligations with respect to customer account statements.²⁶

IV. Conclusion

It is therefore ordered, pursuant to section 19(b)(2) of the Act²⁷ that the proposed rule change (SR-NASD-2004-171), as amended, be, and hereby is, approved,²⁸ effective 180 days from the date of this order. NASD has committed to announce the effective date of the

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-54409; File No. SR-OCC-2006-13]

Self-Regulatory Organizations; The Options Clearing Corporation; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Relating to a Name Change of a Board Committee and of a Securities Market

September 6, 2006.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on July 17, 2006, The Options Clearing Corporation ("OCC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which items have been prepared primarily by OCC. OCC filed the proposed rule change pursuant to section 19(b)(3)(A) of the Act² whereby the proposal was effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The proposed rule change reflects the renaming of OCC's Membership/Margin Committee to the Membership/Risk Committee and of Nasdaq National Market to the Nasdaq Global Market.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, OCC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. OCC has prepared

summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.³

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The purpose of the proposed rule change is to reflect that OCC has renamed the Membership/Margin Committee to the Membership/Risk Committee and that Nasdaq has renamed the Nasdaq National Market to the Nasdaq Global Market.

OCC believes that the proposed rule change is consistent with the purposes and requirements of section 17A of the Act because it reflects the appropriate titles of an OCC Board committee and a securities marketplace. The rule change is not inconsistent with the existing by-laws and rules of OCC, including those proposed to be amended.

(B) Self-Regulatory Organization's Statement on Burden on Competition

OCC does not believe that the proposed rule change would impose any burden on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were not and are not intended to be solicited with respect to the proposed rule change, and none have been received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to section 19(b)(3)(A)(iii) of the Act⁴ and Rule 19b-4(f)(4)⁵ promulgated thereunder because the proposal effects a change in an existing service of OCC that (A) does not adversely affect the safeguarding of securities or funds in the custody or control of OCC or for which it is responsible and (B) does not significantly affect the respective rights or obligations of OCC or persons using the service. At any time within sixty days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

³ The Commission has modified parts of these statements.
