FOR FURTHER INFORMATION CONTACT: Thomas Ray, Office of the General Counsel (C-30, Room 4102), U.S. Department of Transportation, 400 Seventh St., SW., Washington, DC 20590, (202) 366-4731, or Nancy Kessler, Office of the General Counsel (C-10, Room 10102), U.S. Department of Transportation, 400 Seventh St., SW., Washington, DC 20590, (202) 366-9301.

SUPPLEMENTARY INFORMATION: On August 10, 2006, Hawaiian Airlines, the only airline currently providing scheduled passenger service between American Samoa and another U.S. State or territory, filed a petition asking for a

¹¹ 17 CFR 200.30-3(a)(12).

declaratory order regarding an Executive Order issued by the Honorable Togiola T.A. Tulafono, the Governor of American Samoa, that proposed to block Hawaiian from continuing to serve American Samoa. Governor Tulafono has been dissatisfied with the quality and price of Hawaiian's service. His executive order, issued July 26, 2006, stated that American Samoa intends to find another airline to replace Hawaiian's service and that he will issue a second executive order barring Hawaiian from continuing to operate to American Samoa when another airline is ready to replace Hawaiian's service between Pago Pago and Honolulu. Hawaiian's petition, filed in Docket OST-2006-25612, contends that the Governor may not lawfully block Hawaiian from serving the Honolulu-Pago Pago market. Hawaiian's petition thus presents the question of whether Federal law will allow the Governor to take the action proposed by his Executive Order, or will prohibit him from doing so.

Because we were unwilling to rule on Hawaiian's petition without making sure that American Samoa had a full opportunity to respond to the petition, and because no one submitted comments in response to Hawaiian's petition, we published a notice inviting American Samoa and all other interested persons to submit comments on the petition. Comments were due September 15, and reply comments were due September 22, 2006. 71 FR 52205 (September 1, 2006).

On August 30, the Governor of American Samoa sent a letter to Susan McDermott, the Deputy Assistant Secretary for Aviation and International Affairs, requesting that at least sixty days, and preferably ninety days, be allowed for submitting comments on Hawaiian's petition. The Governor stated that the issues presented by Hawaiian's petition could not be adequately addressed within a fourteen-day comment period. He suggested that the comment period in this proceeding should reflect the procedures used in rulemaking proceedings, where sixty-day comment periods are common. We have placed a copy of the Governor's letter in the docket for this proceeding and sent a copy to Hawaiian. Hawaiian states that it does not object to a sixty-day comment period.

We will establish a comment period of sixty days, as the Governor has requested. Comments therefore will be due sixty days after the September 1 publication of our initial **Federal Register** notice. This will give the parties ample time for preparing their responses to Hawaiian's petition. We

will also give parties two additional weeks for filing reply comments.

The parties' submissions thus far suggest that we should provide some guidance on the procedural requirements for this proceeding. Because Hawaiian is requesting a declaratory order regarding its individual dispute with the Governor, this proceeding is an adjudication, not a rulemaking. As such, it is subject to our rules for adjudicatory proceedings where no oral evidentiary hearing is held, 14 CFR 302.1 through 302.15. In adjudications, fundamental principles of fairness require that each party must serve the other parties whenever it submits its views to us on substantive or procedural issues. As a result, Hawaiian, the Governor, and the other parties must send all of their future filings directly to the docket for this proceeding and must simultaneously serve the other parties (at this time, the parties consist of Hawaiian and the Governor). While we sent a copy of Hawaiian's petition to the Governor and then forwarded the Governor's request for more time to Hawaiian, in the future each party is responsible for ensuring that it has sent a copy of any written request or pleading to the other parties.

Dated: September 8, 2006.

Michael W. Reynolds,

Acting Assistant Secretary for Aviation and International Affairs.

Brief Overview of the Request

The City of Banning requested a release from the conditions and restrictions in applicable grant agreements with the United States for approximately 20 acres of undeveloped airport land obligated for airport purposes at Banning Municipal Airport, Banning, California. The 20-acre parcel is not being used for airport purposes and is not needed for future airport development. The land is located on the south side of the airport and is separated from the developed area on the west side of the airport. The parcel was acquired with an Airport Improvement Grant in September 1983. The property has remained vacant and undeveloped since its acquisition. It has been determined that the property will not be used for airport development and is, therefore, not needed for airport purposes. In accordance with Assurance 31, *Disposal of Land*, land that was acquired with a grant for airport development will be disposed of at fair market value when the land is no longer
