Draft Supplemental Watershed Plan No. 1 and Environmental Assessment Plum Creek Watershed, Rehabilitation of Flood Retarding Structure (FRS) #18

AGENCY: Natural Resources Conservation Service, U.S. Department of Agriculture.

ACTION: Notice of Availability (NOA) of the Plum Creek FRS #18 Draft Supplemental Watershed Plan and Environmental Assessment.

SUMMARY: The Natural Resources Conservation Service, U.S. Department of Agriculture, Kentucky State Office, gives notice that a draft supplemental watershed plan/environmental assessment for the rehabilitation of Plum Creek FRS #18 is now available for public review and comment.

FOR FURTHER INFORMATION CONTACT: Jacob Kuhn, Acting State Conservationist, Natural Resource Conservation Service, 771 Corporate Drive, Suite 210, Lexington, KY 40503-5479, telephone (859) 224-7350.

SUPPLEMENTARY INFORMATION: This project was initiated due to the Kentucky Division of Water (KDOW) Office of Dam Safety issuance of a notice of violation (NOV) to the Plum Creek Watershed Conservancy District for Plum Creek FRS #18. Construction of FRS#18 was completed in 1957 under the Pilot Watershed Program and authorized by the Watershed Protection and Flood Prevention Act (PL 83-566). Due to changes in KDOW dam safety regulations and a pre-existing home below the dam, the KDOW is now requiring the dam to be upgraded to meet class C criteria (high hazard) or to remove the threat of flooding to the downstream home. The preferred alternative for this project is Alternative #2—demolition of the existing home

and construction of a new elevated home on the same site. The proposed alternative would upgrade the dam to meet NRCS and KDOW current standards and criteria for a “Significant” or “Moderate” hazard (class B) dam and would replace the concrete riser and add a supplemental toe drain system to the dam.

FOR FURTHER INFORMATION CONTACT: Basic data developed during the environmental assessment are on file and may be reviewed by contacting Anita Arends, Resource Conservationist, telephone (859) 224-7354. Copies of the draft Plan/EA are available upon request. The public comment period will end 45-days after the date of this publication in the **Federal Register**.

Dated: September 20, 2006.

Jacob Kuhn,

Acting State Conservationist.

SUMMARY: In response to requests from interested parties, the Department of Commerce ("the Department") initiated an administrative review of the antidumping duty order on folding metal tables and chairs ("FMTCs") from the People's Republic of China ("PRC"), covering the period June 1, 2005, through May 31, 2006. Based on the withdrawal of the request for review with respect to one company, we are rescinding this administrative review, in part.

DATES: *Effective Date:* September 27, 2006.

FOR FURTHER INFORMATION CONTACT: Charles Riggle, Laurel LaCivita, or Matthew Quigley, Import Administration, Room 1870,

Background

On June 2, 2006, the Department of Commerce ("the Department") published a notice of opportunity to request an administrative review of the antidumping duty order on FMTCs from the PRC. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 71 FR 32032 (June 2, 2006). We received timely requests for review from DongGuan ShiChang Metals Factory Ltd./Maxchief Investments, Ltd. ("New-Tec").

On July 27, 2006, the Department published a notice of the initiation of the antidumping duty administrative review of FMTCs from the PRC for the period June 1, 2005, through May 31, 2006. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 71 FR 42626, 42627 (July 27, 2006). On July 28, 2006, Shichang withdrew its request for an administrative review.

Rescission of Review

The Department's regulations, at 19 CFR 351.213(d)(1), provide that the Department will rescind an administrative review if the party that requested the review withdraws its request for review within 90 days of the date of publication of the notice of initiation of the requested review, or withdraws its request at a later date if the Department determines that it is reasonable to extend the time limit for withdrawing the request. Shichang, the only party to request a review for this company, withdrew its request within the 90-day limit. Therefore, we are rescinding this review of the antidumping duty order on FMTCs from the PRC covering the period June 1, 2005, through May 31, 2006, with respect to Shichang.
