Title: Verification of VA Benefits, VA Form 26-8937.

OMB Control Number: 2900-0406.

Type of Review: Extension of a currently approved collection.

Abstract: Lenders authorized to make VA-guaranteed home or manufactured loans on an automatic basis are required to determine through VA whether any benefits related debts exist in the veteran-borrower's name prior to the closing of any automatic loan. Lenders cannot close any proposed automatic loan until evidence is received from VA stating that there is no debt, or if a debt exists, or the veteran has agreed on an acceptable repayment plan, or payments under a plan already in effect are current. VA Form 26-8937 is used to assist lenders and VA in the completion of debt checks in a uniform manner. The form restricts information requested to only that is needed for the debt check and to eliminate unlimited versions of lender-designed forms. The form also informs the lender whether or not the veteran is exempt from paying the funding fee, which must be collected on all VA home loans unless the veteran is receiving service-connected disability compensation.

Estimated Average Burden per Respondent: 5 minutes.

Frequency of Response: One-time.
