Title: Verification of VA Benefits, VA Form 26-8937.

OMB Control Number: 2900-0406.

Type of Review: Extension of a currently approved collection.

Abstract: Lenders authorized to make VA-guaranteed home or manufactured loans on an automatic basis are required to determine through VA whether any benefits related debts exist in the veteran-borrower's name prior to the closing of any automatic loan. Lenders cannot close any proposed automatic loan until evidence is received from VA stating that there is no debt, or if a debt exists, or the veteran has agreed on an acceptable repayment plan, or payments under a plan already in effect are current. VA Form 26-8937 is used to assist lenders and VA in the completion of debt checks in a uniform manner. The form restricts information requested to only that is needed for the debt check and to eliminate unlimited versions of lender-designed forms. The form also informs the lender whether or not the veteran is exempt from paying the funding fee, which must be collected on all VA home loans unless the veteran is receiving service-connected disability compensation.

Estimated Average Burden per Respondent: 5 minutes.

Abstract: Veterans and other eligible persons may change their program of education under conditions prescribed by Title 38 U.S.C. 3691. A claimant can normally make one change of program without VA approval. VA approval is required if the claimant makes any additional change of program. Before VA can approve benefits for a second or subsequent change of program, VA must first determine that the new program is suitable to the claimant's aptitudes, interests, and abilities, or that the cause of any unsatisfactory progress or conduct has been resolved before entering into a different program. VA Form 22-8873 is used to gather the necessary information only if the suitability of the proposed training program cannot be established from information already available in the claimant's VA education records or the results of academic or vocational counseling are not available to VA.
