

g. *Filed Pursuant to:* Federal Power Act, 16 U.S.C. 791(a)—825(r).

h. *Applicant Contacts:* Mr. Roger Bason, Natural Currents Energy Services, LLC, 24 Roxanne Boulevard, Highland, NY 12528, phone: (845)–691–4008.

i. *FERC Contact:* Chris Yeakel, (202) 502–8132.

j. *Deadline for filing comments, protests, and motions to intervene:* 60 days from the issuance date of this notice.

The Commission's Rules of Practice and Procedure require all intervenors filing documents with the Commission to serve a copy of that document on each person in the official service list for the project. Further, if an intervenor files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency.

k. *Description of Project:* The proposed project would be a hybrid project using solar, wind and tidal power generators. The proposed project in conjunction with two 50 kilowatt Bergey S–50 wind turbines, would consist of: (1) A bridge approximately 60 feet long leading to, (2) a barge-mounted power module equipped with, (3) integrated solar electric panels with a capacity of 5 to 20 kilowatts, (4) eight integrated 12 kilowatt vertical-axis helical turbines 1 meter in diameter, and (6) interconnection transmission lines. The tidal component of the project is estimated to have a minimum annual generation of 420.5 megawatt-hours per year. Power generated by this project would contribute to the micro-loop utility grid to be developed on Wards Island for servicing the power needs of the public recreation and park facilities located there.

l. *Locations of Application:* A copy of the application is available for inspection and reproduction at the Commission in the Public Reference Room, located at 888 First Street NE., Room 2A, Washington, DC 20426, or by calling (202) 502–8371. This filing may also be viewed on the Commission's Web site at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, call toll-free 1–866–208–3676 or e-mail FERCOnlineSupport@ferc.gov. For TTY, call (202) 502–8659. A copy is also available for inspection and reproduction at the address in item h above.

m. Individuals desiring to be included on the Commission's mailing list should

so indicate by writing to the Secretary of the Commission.

n. *Competing Preliminary Permit:* Anyone desiring to file a competing application for preliminary permit for a proposed project must submit the competing application itself, or a notice of intent to file such an application, to the Commission on or before the specified comment date for the particular application (see 18 CFR 4.36). Submission of a timely notice of intent allows an interested person to file the competing preliminary permit application no later than 30 days after the specified comment date for the particular application. A competing preliminary permit application must conform with 18 CFR 4.30(b) and 4.36.

o. *Competing Development Application:* Any qualified development applicant desiring to file a competing development application must submit to the Commission, on or before a specified comment date for the particular application, either a competing development application or a notice of intent to file such an application. Submission of a timely notice of intent to file a development application allows an interested person to file the competing application no later than 120 days after the specified comment date for the particular application. A competing license application must conform with 18 CFR 4.30(b) and 4.36.

p. *Notice of Intent:* A notice of intent must specify the exact name, business address, and telephone number of the prospective applicant, and must include an unequivocal statement of intent to submit, if such an application may be filed, either a preliminary permit application or a development application (specify which type of application). A notice of intent must be served on the applicant(s) named in this public notice.

q. *Proposed Scope of Studies Under Permit:* A preliminary permit, if issued, does not authorize construction. The term of the proposed preliminary permit would be 36 months. The work proposed under the preliminary permit would include economic analysis, preparation of preliminary engineering plans, and a study of environmental impacts. Based on the results of these studies, the Applicant would decide whether to proceed with the preparation of a development application to construct and operate the project.

r. *Comments, Protests, or Motions To Intervene:* Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214.

In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

Comments, protests and interventions may be filed electronically via the Internet in lieu of paper; See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under "e-filing" link. The Commission strongly encourages electronic filing.

s. *Filing and Service of Responsive Documents:* Any filings must bear in all capital letters the title "COMMENTS", "RECOMMENDATIONS FOR TERMS AND CONDITIONS", "PROTEST", "COMPETING APPLICATION" or "MOTION TO INTERVENE", as applicable, and the Project Number of the particular application to which the filing refers. Any of the above-named documents must be filed by providing the original and the number of copies provided by the Commission's regulations to: The Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. A copy of any motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

t. *Agency Comments:* Federal, state, and local agencies are invited to file comments on the described application. A copy of the application may be obtained by agencies directly from the Applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.

Magalie R. Salas,
Secretary.

National Drinking Water Advisory Council: Request for Nominations

AGENCY: Environmental Protection Agency.

ACTION: Notice.

SUMMARY: The U.S. Environmental Protection Agency (EPA or Agency) invites all interested persons to nominate qualified individuals to serve a three-year term as members of the National Drinking Water Advisory Council (Council). This 15-member Council was established by the Safe Drinking Water Act (SDWA) to provide practical and independent advice, consultation, and recommendations to the Agency on the activities, functions, policies, and regulations required by the SDWA. The terms of four (4) members expire in December 2006. To maintain the representation required in the statute, nominees for the 2007 Council should represent State and local officials concerned with public water supply and public health protection (2 vacancies) or represent the general public (2 vacancies). All nominations will be fully considered, but applicants need to be aware of the specific representation needed as well as geographical balance so that all major areas of the U.S. (East, Mid-West, South, Mountain, South-West, and West) will be represented.

DATES: Submit nominations via U.S. mail on or before November 15, 2006.

ADDRESSES: Address all nominations to Daniel Malloy, Designated Federal Officer, National Drinking Water Advisory Council, U.S. Environmental Protection Agency, Office of Ground Water and Drinking Water (Mail Code 4601-M), 1200 Pennsylvania Avenue, NW., Washington, DC, 20460.

FOR FURTHER INFORMATION CONTACT: E-mail your questions to Daniel Malloy, Designated Federal Officer, malloy.daniel@epa.gov or call 202-564-1724.

SUPPLEMENTARY INFORMATION:

National Drinking Water Advisory Council: The Council consists of 15 members, including a Chairperson, appointed by the Deputy Administrator. Five members represent the general public; five members represent appropriate State and local agencies concerned with public water supply and public health protection; and five members represent private organizations or groups demonstrating an active interest in the field of public water supply and public health protection. The SDWA requires that at least two members of the Council represent small, rural public water systems. Additionally, members may be asked to serve on one of the Council's workgroups that are established on an as needed basis to assist EPA in addressing specific program issues. On December 15 of each year, some members complete their appointment. Therefore,

this notice solicits nominations to fill four vacancies with terms ending on December 15, 2009.

Persons selected for membership will receive compensation for travel and a nominal daily compensation (if appropriate) while attending meetings. The Council holds two face-to-face meetings each year, generally in the spring and fall. Conference calls will be scheduled if needed.

Nomination of a Member: Any interested person or organization may nominate qualified individuals for membership. Nominees should be identified by name, occupation, position, address and telephone number. To be considered, all nominations must include a current resume, providing the nominee's background, experience and qualifications.

Dated: September 27, 2006.

Cynthia C. Dougherty,

Director, Office of Ground Water and Drinking Water.

Risk Management Practices for Nanoscale Materials; Notice of Public Meeting

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: EPA is convening a public meeting on risk management practices under a possible stewardship program for nanoscale materials under the Toxic Substances Control Act (TSCA). EPA is considering development of a stewardship program for such nanoscale materials. This program is being explored to encourage responsible commercial development of nanoscale materials. The stewardship program will also enable EPA, affected industry, and other stakeholders to build the capacity to assess potential risks to human health and the environment from nanoscale materials and to identify risk management practices available to reduce such potential risks. EPA is requesting comments at the public meeting on: Risk management practices currently used or potentially available for use for nanoscale materials, the rationale for the use of these practices and the effectiveness or efficiency of these practices, and issues to consider for including risk management practices

for nanoscale materials in the stewardship program. These comments will inform EPA on risk management practices to include in the stewardship program.

DATES: The meeting will be held on October 19, 2006, from 8 a.m. to 5 p.m., and on October 20, 2006, from 8 a.m. to 2:30 p.m.

Comments must be received on or before 8 a.m., October 19, 2006.

Requests to present oral comments must be submitted to the technical person listed under **FOR FURTHER INFORMATION CONTACT** before October 16, 2006. Time for oral comments may be limited, depending on the number of requests received.

Requests to attend the meeting may be submitted electronically through the Eastern Research Group (ERG) registration website at <https://www2.ergweb.com/projects/conferences/nano> by October 16, 2006. Advance requests will assist in planning adequate seating; however, members of the public may attend without prior registration. Requests for special accommodations may also be submitted through the ERG registration website by October 16, 2006.

ADDRESSES: The meeting will be held at the L'Enfant Plaza Hotel, 480 L'Enfant Plaza, SW., Washington, DC 20024.

Submit your comments, identified by docket identification (ID) number EPA-HQ-OPPT-2004-0122, by one of the following methods:

- *Federal eRulemaking Portal.* <http://www.regulations.gov>. Follow the on-line instructions for submitting comments.
- *Mail:* Document Control Office (7407M), Office of Pollution Prevention and Toxics (OPPT), Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460-0001.
- *Hand Delivery:* OPPT Document Control Office (DCO), EPA East, Rm. 6428, 1201 Constitution Ave., NW., Washington, DC. Attention: Docket ID Number EPA-HQ-OPPT-2004-0122. The DCO is open from 8 a.m. to 4 p.m., Monday through Friday, excluding legal holidays. The telephone number for the DCO is (202) 564-8930. Such deliveries are only accepted during the DCO's normal hours of operation, and special arrangements should be made for deliveries of boxed information.

Instructions: Direct your comments to docket ID number EPA-HQ-OPPT-2004-0122. EPA's policy is that all comments received will be included in the docket without change and may be made available on-line at <http://www.regulations.gov>, including any personal information provided, unless the comment includes information
