Title: State Title IV-D Agency
Caseworkers On-line Survey
OMB No.: New Collection

Description: The Office of Child
Support Enforcement (OCSE) plans to
reach out to as many State child support
enforcement caseworkers as possible to
invite them to participate in a brief on-
line survey. The responses will be used
to determine if OCSE needs to modify
the content and the means of
communicating information and
training materials used to process child
support enforcement cases. All
information will be treated
confidentially and will not be identified
by State or email address of
respondents. Depending on the overall
response rate to the outreach efforts
through the title IV-D agencies, the
actual number of respondents could be
much lower than the nationwide
estimate of 60,000 caseworkers used for
the burden estimates.
