II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its rule to add a provision to Rule 6.24(c) addressing the exercise cut-off time for Quarterly Option Series. Presently, option holders have until 2:30 p.m. (Pacific Time) on the business day immediately prior to the expiration date to make a decision to exercise or not to exercise an expiring option (standard equity and index options). Standard listed options expire on the third Saturday of a month. Option holders make their decision whether or not to exercise based on the closing price of the underlying security on the last trading day of any given option series’ cycle, typically the Friday immediately before the expiration Saturday. Unlike standard listed options, Quarterly Option Series expire on the last business day of a calendar quarter. If an option holder were to be required to make a decision to exercise or not exercise a Quarterly Option Series on

the day before the expiration of the option, they would have to make that decision without the knowledge of what the closing price of the underlying security would be on expiration. The Exchange is now proposing to add a provision to NSYE Arca Rule 6.24(c) that will designate a new exercise cut-off time for Quarterly Options Series. The new proposed time will be 2:30 p.m. (Pacific Time) on the day that the quarterly option expires. This change will allow option holders the full time needed to make an accurate decision whether or not to exercise an expiring option.

2. Statutory Basis

The Exchange believes that the proposed rule is consistent with Section 6(b) of the Act⁵ in general, and Section 6(b)(5) of the Act,⁶ that the rules of an exchange be designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts and practices, and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange believes that the proposed rule change will not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act⁷ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁸ Because the foregoing proposed rule change (i) Does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) the proposed rule change does not become operative for 30 days after the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section

¹ 15 U.S.C. 78s(b)(1).

² CFR 240.19b-4.

³ 15 U.S.C. 78s(b)(3)(A)(iii).

⁴ 17 CFR 240.19b-4(f)(6).

⁵ 15 U.S.C. 78f(b).

⁶ 15 U.S.C. 78f(b)(5).

⁷ 15 U.S.C. 78s(b)(3)(A).

⁸ 17 CFR 240.19b-4(f)(6).

19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.⁹

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative for 30 days after the date of filing. However, Rule 19b-4(f)(6)(iii) permits the Commission to waive the operative delay if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the operative delay to permit the proposed rule change to become effective prior to the 30th day after filing.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Waiving the operative delay will allow the Exchange to permit exercise of a Quarterly Options Series at any time until the close of business on its expiration date starting with the third quarter 2006 expirations on Friday, September 29, 2006, and consequently will benefit investors. Therefore the Commission has determined to waive the 30-day delay and allow the proposed rule change to become operative immediately.¹⁰

At any time within sixty (60) days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

- Send an e-mail to rule-comments@sec.gov. Please include File Number SR-NYSEArca-2006-66 on the subject line.

⁹ Rule 19b-4(f)(6)(iii) requires the Exchange to give written notice to the Commission of its intent to file the proposed rule change five business days prior to filing. The Commission has determined to waive the five-day pre-filing requirement for this proposal.

¹⁰ For purposes only of waiving the operative delay of this proposal, the Commission notes that it has considered the proposed rule's impact on efficiency, competition, and capital formation. 15 U.S.C. 78c(f).
