

importer-specific assessment rate is above *de minimis* (i.e., 0.50 percent *ad valorem* or greater), we will instruct CBP to assess the importer-specific rate uniformly, as appropriate, on all entries of subject merchandise during the POR that were entered by the importer or sold to the customer. The Department will issue appropriate assessment instructions based on the final results of review directly to CBP within 15 days of publication of those final results.

The Department clarified its "automatic assessment" regulation on May 6, 2003 (68 FR 23954). This clarification will apply to entries of subject merchandise during the period of review produced by companies included in these final results of review for which the reviewed companies did not know their merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company involved in the transaction. For a full discussion of this clarification, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(1) of the Act: (1) The cash deposit rates for the companies examined in the instant review will be the rate established in the final results of this review (except that if the rate for a particular company is *de minimis*, i.e., less than 0.5 percent, no cash deposit will be required for that company); (2) for previously investigated or reviewed companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the LTFV investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the subject merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be the "all others" rate of 22.89 percent, the "all others" rate made effective by the LTFV investigation. See *LTFV Final Determination*. These cash deposit rates, when imposed, shall remain in effect until publication of the final results of the next administrative review.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping and countervailing duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: October 2, 2006.

Joseph A. Spetrini,

Acting Assistant Secretary, for Import Administration.
