

**DEPARTMENT OF THE INTERIOR****Bureau of Land Management**

[NV-055-5853-EU]

**Proposed Information Collection—  
Alternative Land-Use Planning  
Scenarios for the Upper Las Vegas  
Wash Conservation Transfer Area****AGENCY:** Bureau of Land Management.**ACTION:** Notice of request for comments.

**SUMMARY:** The Bureau of Land Management (BLM) is partnering with Utah State University to undertake a survey that will provide the BLM with social science input to support planning of the Upper Las Vegas Wash Conservation Transfer Area (CTA). The BLM anticipates that this information will assist in the decision-making process to (1) protect the fossil and plant resources; (2) allow for ecological function of the CTA; and (3) render a decision on the boundary configuration and allowable uses of the CTA that are defensible to the public, agencies, local governments, and the courts.

**DATES:** You have 60 days after the date of this **Federal Register** Notice to submit your comments to the address listed below.

**ADDRESSES:** You may mail or deliver comments to: Bureau of Land Management, Las Vegas Field Office, Attn: CTA Land-Use Planning Survey, 4701 North Torrey Pines Drive, Las Vegas, Nevada 89130.

You may send comments via Internet to: [nv\\_lvfo\\_planning@blm.gov](mailto:nv_lvfo_planning@blm.gov). Please include your name and address with comments, and title the Subject Attn: CTA Land-Use Planning Survey.

**FOR FURTHER INFORMATION CONTACT:** You may contact Gayle Marrs-Smith, CTA Project Manager at the address above, by telephone at (702) 515-5156, or by e-mail at [Gayle\\_Marrs-Smith@nv.blm.gov](mailto:Gayle_Marrs-Smith@nv.blm.gov).

**SUPPLEMENTARY INFORMATION:** In accordance with 5 CFR 1320.12(a), BLM must provide a 60-day notice in the **Federal Register** concerning a proposed collection of information to solicit comments on: (1) The practical utility of the information being gathered; (2) the accuracy of the burden hour estimate; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden to respondents, including use of automated information collection techniques or other forms of information technology.

The BLM strives to include best science in rendering management decisions. The CTA is being proposed for protection. A wide variety of

interested publics, local governments, developers, and utilities would be affected by BLM's decision on the boundary configuration and allowable uses within the conservation area. Information on existing urban development adjacent to the CTA and its socio-demographic composition is necessary to model future development and its potential impacts to the CTA as BLM prepares the land-use alternatives that will be analyzed as required under the National Environmental Policy Act (Pub. L. 91-190, 42 U.S.C. 4321-4347, January 1, 1970).

*Title:* Evaluating Alternative Land-use Planning Scenarios Survey.

*Bureau Form Number:* None.

*OMB Control Number:* TBD.

*Type of Request:* New Collection.

*Description of Need:* This proposal seeks approval to collect information from residents of selected neighborhoods in both Las Vegas and North Las Vegas via questionnaire in order to gain a better understanding of how socio-economic characteristics of nearby residential populations might affect the disturbance impacts in the CTA. These questionnaires will be used to answer questions on: Type and frequency of use within the CTA, familiarity with the CTA, levels of attachment to the CTA, attitudes and preferences regarding use and management of the CTA, behavioral intentions regarding enforcement of sanctions to protect the wash environment, and individual and household demographic information.

*Automated data collection:* At this time, we will not be gathering information in an automated way.

*Description of Respondents:* This proposal seeks approval to collect information from adults living in randomly selected households located within one half mile corridors centered along eight linear transects. These transects have been designated for use in measuring ecological and disturbance conditions within the CTA environment and extended south of the CTA into nearby areas of residential development.

*Estimated average number of respondents:* 1000.

*Estimated average number of responses:* 600.

*Estimated average burden hours per response:* 30 minutes.

*Estimated annual reporting burden:* 300 hours.

BLM will summarize all responses to this notice and include them in the request for OMB approval. All comments will be a matter of public record.

Dated: September 29, 2006.

**Notice of Public Meeting; Central Montana Resource Advisory Council****AGENCY:** Bureau of Land Management, Interior.**ACTION:** Notice of public meeting.

**SUMMARY:** In accordance with the Federal Land Policy and Management Act and the Federal Advisory Committee Act of 1972, the U.S. Department of the Interior, Bureau of Land Management (BLM) Central Montana Resource Advisory Council (RAC) will meet as indicated below.

**DATES:** The meeting will be held November 8 & 9, 2006, at the Bureau of Land Management's Lewistown Field Office, 920 NE. Main Street, in Lewistown, Montana. The November 8 session will begin at 10 a.m. with a 30-minute public comment period. This meeting is scheduled to adjourn at 6 p.m. The November 9 meeting will begin at 8 a.m. with a 30-minute public comment period. This meeting is scheduled to adjourn at 3 p.m.

**SUPPLEMENTARY INFORMATION:** This 15-member council advises the Secretary of the Interior on a variety of management issues associated with public land management in Montana. At this meeting the council will discuss/act upon:

The minutes of their preceding meeting;

A review of the RAC charter;

An orientation session for new and current members;

An update concerning the Missouri River Breaks National Monument RMP;

An update concerning the Judith Moccasin travel plan subgroup;

A report concerning recreation resource advisory committees;

A review of Undaunted Stewardship programs;

A review of livestock grazing regulations;

A presentation concerning the Kipp Business Plan;

Information concerning Revised Statute 2477;

An oil and gas activity briefing;

An update about the Valley Wind Farm;

A report concerning the initial Malta RMP scoping comments; and administrative details.

All RAC meetings are open to the public. The public may present written comments to the RAC. Each formal RAC meeting will also have time allocated for hearing public comments. Depending on the number of persons wishing to comment and time available, the time for individual oral comments may be limited.

#### Notice of Public Meeting, Western Montana Resource Advisory Council Meeting

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of public meeting.

**SUMMARY:** In accordance with the Federal Land Policy and Management Act (FLPMA) and the Federal Advisory Committee Act of 1972 (FACA), the U.S. Department of the Interior, Bureau of Land Management (BLM), the Western Montana Resource Advisory Council will meet as indicated below.

**DATES:** The next regular meeting of the Western Montana RAC will be held November 29, 2006 at the Butte Field Office, 106 N. Parkmont, Butte, Montana beginning at 9 a.m. The public comment period will begin at 11:30 a.m. and the meeting is expected to adjourn at approximately 3 p.m.

**FOR FURTHER INFORMATION CONTACT:** For the Western Montana RAC, contact Marilyn Krause, Resource Advisory Council Coordinator, at the Butte Field Office, 106 North Parkmont, Butte, Montana 59701, telephone 406-533-7617.

**SUPPLEMENTARY INFORMATION:** The 15-member Council advises the Secretary of the Interior, through the Bureau of Land Management, on a variety of planning and management issues associated with public land management in western Montana. At the

November 29 meeting, topics we plan to discuss include: Recreation RACs and the possibility of forming a fee subgroup, a briefing on the North Hills use conflict issue and possibility of forming an issue recommendation subgroup, an update on the status of the Butte RMP/EIS and meeting dates for 2007.

All meetings are open to the public. The public may present written comments to the Council. Each formal Council meeting will also have time allocated for hearing public comments. Depending on the number of persons wishing to comment and time available, the time for individual oral comments may be limited. Individuals who plan to attend and need special assistance, such as sign language interpretation, or other reasonable accommodations, should contact the BLM as provided below.

Dated: October 5, 2006.

#### Notice of Proposed Reinstate of Terminated Oil and Gas Lease

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of proposed reinstatement of terminated oil and gas lease.

**SUMMARY:** Under the provisions of Public Law 97-451, the Bureau of Land Management (BLM) received a petition for reinstatement of the oil and gas lease, MIES 49059 located in Oscoda County, Michigan. The petition was filed on time and was accompanied by all rentals due since the date the lease terminated under law.

**FOR FURTHER INFORMATION CONTACT:** Ann Dickerson, Land Law Examiner, at 703-440-1512, or Bureau of Land Management—Eastern States, 7450 Boston Boulevard, Springfield, Virginia 22153.

**SUPPLEMENTARY INFORMATION:** The lessee has agreed to the amended lease terms for rentals and royalties at rates of \$5 per acre, or fraction thereof, per year and 16 2/3 percent, respectively. The lessee has paid the required administrative fee and publication fee to reimburse the Department for the cost of this **Federal Register** notice. The lessee has met all the requirements for

reinstatement of the lease as set out in Section 31(d) and (e) of the Mineral Leasing Act of 1920, as amended (30 U.S.C. 188), and the BLM is proposing to reinstate the lease listed above, effective December 1, 2005, under the original terms and conditions of the lease and the increased rental and royalty rates cited above. The BLM has not issued any valid leases affecting the lands.

Dated: October 5, 2006.
