## FEDERAL RESERVE SYSTEM

### Proposed Agency Information Collection Activities; Comment Request

**AGENCY:** Board of Governors of the Federal Reserve System

**SUMMARY:** Background

On June 15, 1984, the Office of Management and Budget (OMB) delegated to the Board of Governors of the Federal Reserve System (Board) its approval authority under the Paperwork Reduction Act, as per 5 CFR 1320.16, to approve of and assign OMB control numbers to collection of information requests and requirements conducted or sponsored by the Board under conditions set forth in 5 CFR 1320 Appendix A.1. Board-approved

collections of information are incorporated into the official OMB inventory of currently approved collections of information. Copies of the OMB 83-Is and supporting statements and approved collection of information instruments are placed into OMB's public docket files. The Federal Reserve may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

### Request for comment on information collection proposal

The following information collection, which is being handled under this delegated authority, has received initial Board approval and is hereby published for comment. At the end of the comment period, the proposed information collection, along with an analysis of comments and recommendations received, will be submitted to the Board for final approval under OMB delegated authority. Comments are invited on the following:

a. Whether the proposed collection of information is necessary for the proper performance of the Federal Reserve's functions; including whether the information has practical utility;

b. The accuracy of the Federal Reserve's estimate of the burden of the proposed information collection, including the validity of the methodology and assumptions used;

c. Ways to enhance the quality, utility, and clarity of the information to be collected; and

d. Ways to minimize the burden of information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

### Proposal to approve under OMB delegated authority the extension for three years, without revision, of the following report:

*Report title:* Domestic Branch Notification

*Agency form number:* FR 4001

*OMB control number:* 7100-0097

*Frequency:* On occasion

*Reporters:* State member banks

*Annual reporting hours:* 2,244 hours

*Estimated average hours per response:* 30 minutes for expedited notifications;

1 hour for nonexpedited notifications

*Number of respondents:* 382

expedited; 2,053 nonexpedited

*General description of report:* This information collection is mandatory per Section 9(3) of the Federal Reserve Act (12 U.S.C. § 321) and is not given confidential treatment.

*Abstract:* The Federal Reserve Act and Regulation H require a state member bank to seek prior approval of the Federal Reserve System before establishing or acquiring a domestic branch. Such requests for approval must be filed as notifications at the appropriate Reserve Bank for the state member bank. Due to the limited information that a state member bank generally has to provide for branch proposals, there is no formal reporting form for a domestic branch notification.

A state member bank is required to notify the Federal Reserve by letter of its intent to establish one or more new branches, and provide with the letter evidence that public notice of the proposed branch(es) has been published by the state member bank in the appropriate newspaper(s). The Federal Reserve uses the information provided to fulfill its statutory obligation to review any public comment on proposed branches before acting on the proposals, and otherwise to supervise state member banks.

Board of Governors of the Federal Reserve System, October 12, 2006.

*Secretary of the Board.*

*Annual reporting hours:* 78 hours

*Number of respondents:* 3 IDI; 6

NGEPs

*Estimated average hours per response:* 1 hour (7 disclosure requirements); 4 hours (2 annual reports)

*General description of report:* This information collection is required pursuant the Federal Deposit Insurance Act (FDI Act), 12 U.S.C. 1831y(b) and (c). The FDI Act authorizes the Federal Reserve to require the disclosure and reporting requirements of Regulation G (12 CFR 207). In general, the Federal Reserve does not consider individual respondent commercial and financial information collected by the Federal Reserve pursuant to Regulation G as confidential. However, a respondent may request confidential treatment pursuant to section (b)(4) of Freedom of Information Act, 5 U.S.C 552(b)(4).

*Abstract:* Section 48 of the FDI Act imposes disclosure and reporting requirements on IDIs, their affiliates and NGEPs that enter into written agreements that meet certain criteria.
