

Act⁹ and Rule 19b-4(f)(6) thereunder¹⁰ because the proposal: (i) Does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) does not become operative prior to 30 days after the date of filing or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest; provided that the Exchange has given the Commission notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

A proposed rule change filed under Rule 19b-4(f)(6)¹¹ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(b)(iii), the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay.¹² The Commission believes that such waiver is consistent with the protection of investors and the public interest because it would provide market participants that use OpenBookTM with more information about the current state of the NYSE market. For this reason, the Commission designates the proposed rule change to be effective upon filing with the Commission.¹³

At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

⁹ 15 U.S.C. 78s(b)(3)(A)(iii).

¹⁰ 17 CFR 240.19b-4(f)(6).

¹¹ 17 CFR 240.19b-4(f)(6).

¹² 17 CFR 240.19b-4(f)(6)(iii).

¹³ For purposes only of accelerating the operative date of this proposal, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. 15 U.S.C. 78c(f).

The Social Security Administration (SSA) publishes a list of information collection packages that will require clearance by the Office of Management and Budget (OMB) in compliance with Pub. L. 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. The information collection packages that may be included in this notice are for approval of existing information collections and revisions to OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and on ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Written comments and recommendations regarding the information collection(s) should be submitted to the OMB Desk Officer and the SSA Reports Clearance Officer. The information can be mailed and/or faxed to the individuals at the addresses and fax numbers listed below:

The scope of this form is now being expanded to include people who wish to appeal the decision that has been made regarding their obligation to pay a new Income-Related Monthly Adjustment Amount (IRMAA) for Medicare Part B, as per the requirements of the Medicare Modernization Act of 2003. Although this information will be collected by SSA, the actual hearings will take place before administrative law judges (ALJ) who are employed by the Department of Health and Human Services (HHS). The current respondents include applicants for various Social Security benefits programs who want to request a hearing

where they can appeal their denial; the new additional respondents are Medicare Part B recipients whom SSA has determined will have to pay the new Medicare Part B IRMAA and who wish to appeal this decision at a hearing before an HHS ALJ.

Frequency of Response: 1.

Average Burden per Response: 10 minutes.

provisions of the Social Security amendments. These provisions require that States which supplement the Federal Supplemental Security Income (SSI) payments also pass along Federal cost-of-living increases to individuals who are eligible for State supplemental payments. If a State fails to keep payments at the required level, it becomes ineligible for Medicaid reimbursement under Title XIX of the Social Security Act. In order to make sure the States are maintaining the payment levels, they submit their payment amounts to SSA. Seven of the participating States may use a total-expenditures method, in which they send their total expenditures to SSA four times per year to prove that they are maintaining the regulated cost-of-living increase. The remaining twenty three States send SSA one annual report which shows that they have maintained the cost-of-living increase as per the regulations. Respondents are State agencies administering supplemental programs.
