[Docket No. EL07-8-000]

Wisconsin Public Power Inc.; Notice of Filing

October 24, 2006.

Take notice that on October 11, 2006, Wisconsin Public Power Inc (WPPI) filed an initial Rate Schedule No. 1 and supporting cost data which specifies its revenue requirement for cost based reactive supply and voltage control from Generation Sources Service, as to the resources located in one pricing area of the Midwest Independent Transmission System Operator, Inc (MISO). WPPI will provide the subject Reactive Power Service from its 20% joint ownership interest in Unit 4 of the Boswell Generating Station, which is located in the Minnesota Power Company pricing area with the control area administered by MISO.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission’s Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the

“eFiling” link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the “eLibrary” link and is available for review in the Commission’s Public Reference Room in Washington, DC.
