

351.214(d)(1), and based on information on the record, we are initiating new shipper reviews for Anhui Tongxin, Huoshan NTGF, Jingdezhen Garay, and Shanghai Now Again. See Memoranda to the File through James C. Doyle, *New Shipper Initiation Checklists*, (October 23, 2006). We intend to issue the preliminary results of this review not later than 180 days after the date on which this review was initiated, and the final results of this review within 90 days after the date on which the preliminary results were issued.

Pursuant to 19 CFR

351.214(g)(1)(i)(A), the POR for a new shipper review, initiated in the month immediately following the annual anniversary month, will be the one year period immediately preceding the annual anniversary month. Therefore, the POR for the new shipper reviews of Anhui Tongxin, Huoshan NTGF, Jingdezhen Garay, and Shanghai Now Again will be September 1, 2005, through August 31, 2006.

It is the Department's usual practice in cases involving non-market economies to require that a company seeking to establish eligibility for an antidumping duty rate separate from the country-wide rate provide evidence of *de jure* and *de facto* absence of government control over the company's export activities. Accordingly, we will issue questionnaires to Anhui Tongxin, Huoshan NTGF, Jingdezhen Garay, and Shanghai Now Again, including a separate rates section. The reviews will proceed if the responses provide sufficient indication that Anhui Tongxin, Huoshan NTGF, Jingdezhen Garay, and Shanghai Now Again are not subject to either *de jure* or *de facto* government control with respect to their exports of freshwater crawfish tail meat. However, if the exporter does not demonstrate the company's eligibility for a separate rate, then the company will be deemed not separate from the PRC-wide entity, which exported during the POI. An exporter unable to demonstrate the company's eligibility for a separate rate would hence not meet the requirements of section 751(a)(2)(B)(i)(I) of the Act and its new shipper review will be rescinded. See, e.g., *Notice of Preliminary Results of Antidumping Duty New Shipper Review and Rescission of New Shipper Reviews: Freshwater Crawfish Tail Meat from the People's Republic of China*, 69 FR 53669 (September 2, 2004) and *Brake Rotors From the People's Republic of China: Rescission of Second New Shipper Review and Final Results and Partial Rescission of First Antidumping Duty Administrative Review*, 64 FR 61581 (November 12, 1999).

Interested parties that need access to proprietary information in these new shipper reviews should submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306.

This initiation and notice are in accordance with section 751(a) of the Act (19 U.S.C. 1675(a)) and 19 CFR 351.214.

Dated: October 23, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Non-Malleable Cast Iron Pipe Fittings from the People's Republic of China: Extension of Time Limit for the Final Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: October 30, 2006.

FOR FURTHER INFORMATION CONTACT:

Eugene Degnan, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-0414.

SUPPLEMENTARY INFORMATION:

Background

On May 25, 2006, the Department published in the **Federal Register** its preliminary results of the second administrative review on non-malleable cast iron pipe fittings from the People's Republic of China ("PRC"). See *Non-Malleable Cast Iron Pipe Fittings from the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review*, 71 FR 30116 (May 25, 2006) ("Preliminary Results"). On September 12, 2006, the Department published in the **Federal Register** a notice extending the time limit for the final results of the administrative review from September 22, 2006, to October 23, 2006. See *Extension of Time Limit for the Final Results of the Antidumping Duty Administrative Review: Non-Malleable Cast Iron Pipe Fittings from the People's Republic of China*, 71 FR 53661 (September 12, 2006). The final results

of this administrative review are currently due no later than October 23, 2006.

Extension of Time Limit of Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to issue final results within 120 days of the date on which the preliminary results are published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the 120-day period to a maximum of 180 days. Completion of the final results of this review within the 120-day period is not practicable because the Department needs additional time to evaluate the arguments and issues raised by the petitioners and respondents in their respective case briefs and rebuttal briefs.

Because it is not practicable to complete this review within the time specified under the Act, we are extending the time period for issuing the final results of review an additional 19 days to 169 days, in accordance with section 751(a)(3)(A) of the Act. Therefore, the final results will be due no later than November 10, 2006. This notice is published pursuant to sections 751(a) and 777(i) of the Act.

Dated: October 19, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.
