

directly related to the suitability of the land for a Las Vegas Metropolitan Police Substation and related facilities. Comments received during this process, including the respondent's name, address, and other contact information will be available for public review. Individual respondents may request confidentiality. If you wish to request that BLM consider withholding your name, address, and other contact information from public review or disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your comment. The BLM will honor requests for confidentiality on a case-by-case basis to the extent allowed by law. The BLM will make available for public review, in their entirety, all comments submitted by businesses or organizations, including comments by individuals in their capacity as an official or representative of a business or organization. Any adverse comments will be reviewed by the BLM, Nevada State Director who may sustain, vacate, or modify this realty action.

In the absence of any adverse comments, the classification will become effective on December 29, 2006. The land will not be available for lease and subsequent conveyance until after the classification becomes effective.

Notice of Intent To Prepare a Draft Environmental Impact Statement for the General Management Plan for Kings Mountain National Military Park, Blacksburg, SC

SUMMARY: Pursuant to section 102(2)(C) of the National Environmental Policy Act of 1969, requirements of the National Parks and Recreation Act of 1978, Public Law 95-625, and National Park Service Policy in Director's Order Number 2 (Park Planning) and Director's Order Number 12 (Conservation Planning, Environmental Impact Analysis, and Decision-making) the National Park Service (NPS) will prepare an Environmental Impact Statement for the General Management Plan (EIS/GMP) for Kings Mountain National Military Park (KIMO) located near Blacksburg, South Carolina. The authority for publishing this notice is contained in 40 CFR 1501.7. The statement will assess potential environmental impacts associated with various types and levels of visitor use and resources management within KIMO.

The NPS is currently accepting comments from interested parties on issues, concerns, and suggestions pertinent to the management of KIMO. Suggestions and ideas for managing the cultural and natural resources and visitor experiences at KIMO are encouraged. Comments may be submitted in writing to the address listed at the end of this notice or through the NPS Planning, Environment, and Public Comment (PEPC) Web site, which is linked to the park's Web site at <http://www.nps.gov/kimo>.

The NPS will publish periodic newsletters on the PEPC Web site to present scoping issues and preliminary management concepts to the public as they are developed. Public meetings to present draft management concepts will be conducted in the local area. Specific locations, dates, and times will be announced in local media and on the PEPC Web site.
