Comments Invited

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. Therefore, in preparation for OMB review and approval of the following information collection, TSA is soliciting comments to—

(1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Information Collection Requirement

TSA is seeking to renew its OMB control number, 1652-0003, Aircraft Operator Security. TSA has implemented aircraft operator security standards at 49 CFR part 1544, which requires each aircraft operator to adopt and implement a security program. As part of these security programs, aircraft operators are required to maintain and update, as necessary, records of compliance with the security program provisions outlined in part 1544. This regulation also requires aircraft operators to make their security programs and associated records available for inspection by TSA to ensure security, safety, and regulatory compliance. Under this regulation, aircraft operators must ensure flightcrew members and employees with unescorted access authority or who perform screening functions submit to a criminal history records check (CHRC); to conduct the CHRC, these individuals

must provide identifying information, including fingerprints. The collection requirements associated with aircraft operator security programs remain critical in the aftermath of the terrorist attacks of September 11, 2001. The current estimated annual reporting burden for an estimated 80 respondent air carriers is 41,600 hours.

Issued in Arlington, Virginia, on October 27, 2006.

Peter Pietra,

Director of Privacy Policy and Compliance.

This Notice also lists the following information:

Title of Proposal: Application and Re-certification Packages for Approval of Nonprofit Organizations for FHA Activities.

OMB Control Number, if applicable: 2502-0540.

Description of the need for the information and proposed use: The information collection is essential to the Department's mission to expand homeownership opportunities and strengthen neighborhoods and communities by standardizing the process throughout the country. The information that nonprofit organizations must submit to be eligible to participate as a mortgagor in HUD's single-family housing programs is in the form of an application, re-certification, or other reporting criteria. Nonprofit organizations are viewed as significant partners in rehabilitating and reselling residential housing to low- and moderate-income families, particularly in the nation's urban centers. Each nonprofit organization seeking to become approved as a mortgagor must submit a completed Application Package for Nonprofit Agency Approval and an Affordable Housing Plan—Format for Narrative to the appropriate HUD Homeownership Center (HOC). The Affordable Housing Plan—Format for Narrative details the nonprofit organization's plan to develop successful homeownership opportunities for low- and moderate-income persons. Nonprofit agencies applying for approval to provide secondary financing only do not need to include an Affordable Housing Plan in their submission.

Approvals granted to nonprofit applicants are for a period of two years. An approval letter will be issued setting

forth the activities for which the nonprofit was approved to perform, and any conditions associated with the approval. Approvals granted by one HOC would be recognized and accepted by all others, with the exception of the affordable housing plan. The affordable housing plan must be approved by each HOC having jurisdiction over the areas in which the nonprofit agency wishes to do business. Nonprofit agencies must be re-certified by FHA every two years. Re-certification includes an updating of the nonprofit's activities. FHA has also placed a limitation on the number of 203(k) FHA insured mortgages a nonprofit may have at one time in order to ensure that nonprofit agencies do not overextend their financial and management capabilities. Generally, a nonprofit agency will be prohibited from borrowing under the 203(k) program if the agency has 10 or more incomplete 203(k) developments at one time. This limitation may be waived based upon an exceptional performance record.

Agency form numbers, if applicable: None.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The number of respondents are estimated to be 583 generating approximately 583 annual responses; the frequency of response is annually, biennially, and on occasion, the estimated time needed to prepare the responses varies from 3 hours to 24 hours; and the total estimated annual burden hours are 6,156.

Status of the proposed information collection: Extension of a currently approved collection.

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C., Chapter 35, as amended.

Dated: October 26, 2006.

Frank L. Davis,

General Deputy Assistant Secretary for Housing—Deputy Federal Housing Commissioner.
