

DOJ and the rights afforded them in the litigation to enforce collection of debts owed to the United States.

Records to Be Matched: DOJ will provide records from the Debt Collection Management System, JUSTICE/JMD-006, last published at 58 FR 60058-60060 (November 12, 1993). This system of records contains information on persons indebted to the United States who have allowed their debts to become delinquent and whose debts have been sent by client Federal agencies to DOJ for enforced collection through litigation. DOJ records will be matched against records contained in the Privacy Act System of Records: CADE [Customer Account Data Engine] Individual Master File (IMF), Treasury/IRS 24.030, last published at 66 FR 63800 (December 10, 2001), which contains taxpayer entity records and tax modular records which contain all records relative to specific tax returns for each applicable tax period or year.

Categories of Records/Individuals Involved: DOJ will submit the nine digit Social Security Number (SSN) and four character Name Control (the first four letters of the surname) of each individual whose current address is requested. IRS will provide an address for each taxpayer whose SSN and Name Control matches the record submitted by DOJ, or a code explaining that no match was found for the record.

Notice Procedures: IRS provides direct notice to taxpayers in the instructions to Forms 1040, 1040A, and 1040EZ, and constructive notice in the **Federal Register** system of records notice, that information provided on U.S. Individual Income Tax Returns and through other means may be given to other Federal agencies, as provided by law. For the records involved in this match, both IRS and DOJ have provided constructive notice of these disclosures to records subjects through the publication, in the **Federal Register**, of system of record notices that contain routine uses permitting disclosures for this matching program.

Address for Receipt of Public Comments or Inquiries: Interested persons are invited to submit written comments regarding this notice to Diane Watson, Deputy Director, Debt Collection Management, Justice Management Division, Nationwide Central Intake Facility, 1110 Bonifant St., Suite 220, Silver Spring, MD 20910-3358.

DEPARTMENT OF JUSTICE

[AAG/A Order No. 017-2006]

Privacy Act of 1974; System of Records

AGENCY: Office of Attorney Recruitment and Management, Justice Management Division, U.S. Department of Justice.

ACTION: Notice of a new system of records.

SUMMARY: Pursuant to the provisions of the Privacy Act of 1974 (5 U.S.C. 552a), notice is given that the Department of Justice (DOJ or the Department), Justice Management Division's Office of Attorney Recruitment and Management (OARM) proposes to establish a new system of records entitled "Attorney Student Loan Repayment Program Applicant Files." The Department is implementing the Federal Government's authority set forth at 5 U.S.C. 5379 to establish a program providing for repayment of federally made or insured student loans when necessary to attract or retain highly qualified individuals for employment as attorneys within DOJ. Subject to the requirements of law and regulation, the Department can make payments to Federal student loan holders (lenders) on behalf of an employee, thus reducing an employee's Federal student loan debt.

DATES: In accordance with the requirements of 5 U.S.C. 552a(e)(4) and (11), the public is given a 30-day period in which to comment. The Office of Management and Budget (OMB), which has oversight responsibility under the Act, requires a 40-day period in which to conclude its review of the system. Therefore, please submit any comments on or before December 13, 2006.

ADDRESSES: The public, OMB, and the Congress are invited to submit any comments to Mary E. Cahill, Management and Planning Staff, Justice Management Division, Department of Justice, Washington, DC 20530 (Room 1400, National Place Building).

FOR FURTHER INFORMATION CONTACT: Mary E. Cahill, (202) 307-1823.

SUPPLEMENTARY INFORMATION: The Privacy Act (5 U.S.C. 552a(e)(4)) requires the Department to publish in the **Federal Register** this notice of a new system of records managed by the Department. The Department's regulations implementing the Act are contained in 28 CFR part 16. The Privacy Act applies to a record about an individual that is maintained in a system of records from which information is retrieved by a unique personal identifier, such as a name or social security number. The information

about each individual is called a "record," and the system, whether manual or computer-driven, is called a "system of records." The Privacy Act requires each agency to publish notices of systems of records in the **Federal Register** and to prepare reports to OMB whenever the agency publishes a new or "altered" system of records.

The records in this system contain requests for repayment benefits, information pertaining to the DOJ employees who are approved to receive benefits, as well as the benefit amounts and service agreements specific to each individual case. Information contained in this system will be used by the Department to compile annual reports for the Office of Personnel Management (OPM) on the Department's use of the Student Loan Repayment authority.

The official version of this document is the document published in the **Federal Register**. Free Internet access to the official edition of the **Federal Register** and the CFR is available on GPO Access at: <http://www.access.gpo.gov/nara/index.html>.

In accordance with 5 U.S.C. 552a(r), the Department has provided a report to OMB and the Congress.

Dated: October 16, 2006.

Lee Lofthus,

Acting Assistant Attorney General for Administration.

12. To other Federal agencies, hearing or court officials, and present employers of an employee in order for the Department to obtain repayment, if an employee fails to complete the period of employment under a service agreement and fails to reimburse the Department the amount of any student loan repayment benefits the employee received from the Department.

13. To the Department's payroll processing provider in order to calculate tax withholding and disburse payments of student loan repayment benefits to loan holders on behalf of employees approved to receive this benefit.

14. To student lending institutions or loan holders in order to obtain information (such as a borrower's account number, original and current loan balance, repayment schedule, repayment history, and current repayment status) to allow the Department to determine an employee's or potential employee's initial and continuing eligibility for this program, to facilitate accurate payments to student loan holders on behalf of eligible employees, and to ensure the Department discontinues making student loan repayments to individuals who do not remain eligible for them during the period of the service agreement.
