

elements of the U.S. Mission in China will review all eligible proposals. Eligible proposals will be subject to compliance with Federal and Bureau regulations and guidelines. A panel of senior U.S. Government employees and private sector experts will review eligible proposals. Proposals may also be reviewed by the Office of the Legal Adviser or by other Department elements. The final decision on a potential U.S. exhibitor will be at the discretion of the Department of State's Assistant Secretary for Educational and Cultural Affairs.

#### Review Criteria

Technically eligible proposals will be reviewed according to the criteria stated below. These criteria are not rank-ordered and all carry equal weight in the evaluation.

1. *Program planning to achieve exhibit objectives:* Proposals should clearly demonstrate how the planned exhibit will educate and inform foreign audiences about the United States and its people and promote broad U.S. commercial interests around the world, as well as how specifically it will address the theme and General Regulations of the Expo. Exhibit objectives should be reasonable, feasible, and flexible. The general concept for the pavilion structure should include three basic areas: an exhibition area, a live performance area and an administration/hospitality lounge area. The proposal should contain a detailed timeline and budget that demonstrate substantive undertakings and fundraising and logistical capacity.

2. *Institutional Capacity/Record/Ability:* Proposed personnel and institutional resources should be defined and adequate and appropriate to achieve the exhibit's goals. Proposals should demonstrate an institutional record of successful exhibit activities, including responsible fiscal management and full compliance with all BIE-registered Expo requirements. ECA will give serious weight to past performance and demonstrated potential of the staffing proposed for the project.

3. *Multiplier effect/impact:* Proposals should clearly state how exhibit content and related activities will strengthen long-term mutual understanding between the United States and China.

4. *Support of Diversity:* Proposals should demonstrate how plans will address ECA's requirement to encourage the involvement of participants from all traditionally underrepresented groups including women, racial and ethnic minorities and people with disabilities.

5. *Monitoring and Project Evaluation Plan:* Proposals that include a plan to measure the impact of the proposed U.S. exhibition, cultural and information programs are encouraged.

6. *Cost-effectiveness:* Proposals must include a proposed action plan and timeline for all aspects of the project with associated budget estimates. Proposals must also present a credible fundraising plan to fund all aspects of the U.S. Pavilion project. Note that prospective donors will be vetted with the State Department for potential conflict of interest.

*Reporting Requirements:* You must provide ECA with a hard copy original plus two copies of the following reports:

1. A program and financial reports no more than 90 days after the expiration of the award;
2. A program and financial reports every 90 days after the signature of the Memorandum of Understanding.
