ACTION: Notice: receipt of application for an incidental take permit; request for comments.

SUMMARY: We, the Fish and Wildlife Service (Service), announce the availability of one ITP and Habitat Conservation Plan (HCP)/Application for one incidental take permit. Marsol Development Corporation (Applicant) requests an incidental take permit (ITP) for a duration of 2 years pursuant to section 10(a)(1)(B) of the Endangered Species Act of 1973, as amended (Act). The Applicant anticipates taking about 7.5 acres of Florida scrub-jay (*Aphelocoma coerulescens*) (scrub-jay) foraging, sheltering, and possibly nesting habitat incidental to lot preparation for the construction of a commercial park and supporting infrastructure in Brevard County, Florida (Project). The destruction of 7.5 acres of foraging, sheltering, and possibly nesting habitat is expected to result in the take of one family of scrub-jays. The Applicant's Habitat Conservation Plan (HCP) describes the mitigation and minimization measures proposed to address the effects of the Project to the Florida scrub-jay.
