

Permit 1046 Modification 2 also authorizes NPS to capture, handle, sample (by collection of scales, fin-clips, or other tissue), mark, and release adult carcasses of Central California Coast coho salmon, California Coastal Chinook salmon, and Central California Coast steelhead. Permit 1046 Modification 2 is for research to be conducted in the following watersheds within or proximate to NPS lands: Olema Creek, Lagunitas Creek, Pine Gulch, Redwood Creek, and Easkoot Creek in Marin County, California; West Union Creek, Martini Creek, San Vicente Creek, and Denniston Creek in San Mateo County, California; and Alhambra Creek and Franklin Creek in Contra Costa County, California. Permit 1046 Modification 2 does not authorize intentional lethal take of ESA-listed salmonids. Permit 1046 Modification 2 authorizes unintentional lethal take of ESA-listed salmonids associated with research activities not to exceed: 5 percent of juvenile ESA-listed salmonids captured, 1 percent of adult Central California Coast coho salmon captured, 2 percent of adult California Coastal Chinook salmon captured, and 2 percent of Central California Coast steelhead captured. The purpose of the research is to support NPS' obligations as a federal agency to identify and promote the conservation of all federally listed threatened, endangered, or candidate species within park boundaries and their critical habitats. Permit 1046 Modification 2 expires on February 29, 2012.

Dated: November 7, 2006.

BILLING CODE 3510-22-S

**COORDINATING COUNCIL ON JUVENILE JUSTICE AND DELINQUENCY PREVENTION**

[OJP (OJJDP) Docket No. 1463]

**Meeting of the Coordinating Council on Juvenile Justice and Delinquency Prevention**

**AGENCY:** Coordinating Council on Juvenile Justice and Delinquency Prevention.

**ACTION:** Notice of meeting.

**SUMMARY:** The Coordinating Council on Juvenile Justice and Delinquency Prevention (Council) is announcing its November 30 to December 1, 2006 meeting and planning session.

**DATES:** Thursday, November 30, 2006, 9 a.m.–5:30 p.m.; and Friday, December 1, 2006, 9 a.m.–3:30 p.m.

**ADDRESSES:** The meeting will take place at the University of Maryland, College Park, Maryland in the Adele H. Stamp Student Union building, Prince George's Room, located on Campus Drive, College Park, MD 20742.

**FOR FURTHER INFORMATION CONTACT:** Robin Delany-Shabazz, Designated Federal Official, by telephone at 202-307-9963 [Note: this is not a toll-free telephone number], or by e-mail at [Robin.Delany-Shabazz@usdoj.gov](mailto:Robin.Delany-Shabazz@usdoj.gov).

**SUPPLEMENTARY INFORMATION:** The Coordinating Council on Juvenile Justice and Delinquency Prevention, established pursuant to Section 3(2)A of the Federal Advisory Committee Act (5 U.S.C. App. 2) will meet to carry out its advisory functions under Section 206 of the Juvenile Justice and Delinquency Prevention Act of 2002, 42 U.S.C. 5601, et seq. Documents such as meeting announcements, agendas, minutes, and interim and final reports will be available on the Council's Web page at <http://www.JuvenileCouncil.gov>. (You may also verify the status of the meeting at that Web address.)

Although designated agency representatives may attend, the Council membership is composed of the Attorney General (Chair), the Secretary of Health and Human Services, the Secretary of Labor, the Secretary of Education, the Secretary of Housing and Urban Development, the Administrator of the Office of Juvenile Justice and Delinquency Prevention (Vice Chair), the Director of the Office of National Drug Control Policy, the Chief Executive Officer of the Corporation for National and Community Service, and the Assistant Secretary of Homeland Security for U.S. Immigration and Customs Enforcement. Nine additional members are appointed by the Speaker of the House of Representatives, the Senate Majority Leader, and the President of the United States.

**Meeting Agenda**

Two separate sessions will be held. The open session and public meeting will take place on Thursday, November 30, 2006, from 9 a.m. to 11 a.m. The agenda for the public meeting will include: (a) Discussion of child fatality review teams; (b) review of past Council planning efforts and results; (c) legislative, program and agency updates; and (d) other business and announcements.

The planning session, which is closed to the public, will be held on Thursday, November 30, from 11:30 a.m. to 5:30

p.m. and on Friday, December 1, from 9 a.m. to 3:30 p.m.

**Registration**

For security purposes, members of the public who wish to attend the meeting must pre-register online at <http://www.juvenilecouncil.gov/> or by fax to: 301-945-4295 [Daryl Dunston at 240-221-4343 or e-mail, [ddunston@edjassociates.com](mailto:ddunston@edjassociates.com) for questions], no later than Wednesday, November 22, 2006. [Note: these are not toll-free telephone numbers.] Additional identification documents may be required. Space is limited.

**Note:** Photo identification will be required for admission to the meeting.

**Written Comments:** Interested parties may submit written comments by Wednesday, November 22, 2006, to Robin Delany-Shabazz, Designated Federal Official for the Coordinating Council on Juvenile Justice and Delinquency Prevention, at [Robin.Delany-Shabazz@usdoj.gov](mailto:Robin.Delany-Shabazz@usdoj.gov). The Coordinating Council on Juvenile Justice and Delinquency Prevention expects that the public statements presented will not repeat previously submitted statements. Written questions and comments from the public may be invited at this meeting.

Dated: November 7, 2006.

**J. Robert Flores,**

Administrator, Office of Juvenile Justice and Delinquency Prevention.

BILLING CODE 4410-18-P

**DEPARTMENT OF DEFENSE**

**Department of the Air Force**

**Notice of Intent to Prepare an Environmental Impact Statement for the Air Education and Training Command Common Battlefield Airman Training Program**

**AGENCY:** Department of the Air Force, Air Education and Training Command.

**ACTION:** Notice of intent.

**SUMMARY:** In accordance with the National Environmental Policy Act of 1969 (NEPA, 42 United States Code [U.S.C.] 4321-4347), the Council on Environmental Quality (CEQ) NEPA Regulations (40 Code of Federal Regulations [CFR] Parts 1500-1508), and the United States Air Force's (USAF) Environmental Impact Analysis Process (EIAP, 32 CFR Part 989), the Air Force is preparing an EIS to consider the proposed action of establishing the CBAT program. This NOI describes the

Air Force's proposed alternatives, scoping process, and identifies the Air Force's point of contact. As part of the proposal, the Air Force will analyze potential environmental impacts associated with the proposed development of administrative, instructional, and living areas (referred to as the CBAT Campus) for CBAT students and instructors, as well as utilization of areas for ground training operations.

**Purpose:** The purpose of this action is for AETC to establish a CBAT course in order to further expand ground combat skills and give all Airmen a baseline or common skill set. The course would be implemented in three Phases, beginning with Phase I, which would train approximately 1,353 Airmen. Phase II would add 6,365 students, and Phase III provides training for an additional 6,692 Airmen. Full implementation of CBAT would result in training approximately 14,410 Airmen annually in combat small arms firing, basics of land navigation, small unit tactics, and combative skills, along with a daily physical training regimen. The average daily number of personnel that would be present for CBAT at full implementation (to include instructors, base support, and students) would be approximately 2,600. CBAT would be held year-round, with each course lasting 25 days, 10 hours per day, Monday through Friday. Throughout the initial implementation of each phase, personnel, facilities and infrastructure, and field training areas would be added to the selected installation. The end of Phase III would include a total of 166 new buildings at 124,192 square meters added to the installation. Additionally, by Phase III, approximately 9,000 acres (approximately 36.5 square km) of land would be required for CBAT field training in standardized basic small unit tactics, such as how to react to an enemy ambush (which would include the use of blank-fire ammunition and simulated munitions) and practical day and night land navigation training.

**Alternatives:** The Air Force used a multi-disciplined team (e.g., trainers, civil engineers, environmental engineers, and attorneys) to develop criteria for choosing where the CBAT course would be located. Applying the selection criteria in stages narrowed the alternatives first to 64 and later to just 3 Air Force installations located within the Continental United States. Those 3 installations are Arnold Air Force Base (AFB) in Tennessee, Barksdale AFB in Louisiana, and Moody AFB in Georgia. These three bases and the no action alternative are the alternatives that will be evaluated in the EIS. There is

sufficient area on Arnold AFB and Barksdale AFB to support the campus and field training areas. There is insufficient land available to support the field training requirements on Moody AFB, so selection of Moody would necessitate acquiring additional land by purchase or lease. The no action alternative will evaluate current conditions and trends, projected into the future, for comparative purposes.

**Scoping:** In order to effectively define the full range of issues to be evaluated in the EIS, the Air Force will determine the scope of the document (i.e., what will be covered, and in what detail) by soliciting scoping comments from interested state and Federal agencies and the interested public via this **Federal Register** and notices in the local areas of concern. Comments should be forwarded to the address below, by the date indicated. The Air Force will also hold a series of scoping meetings to further solicit input concerning the scope of the proposed action and alternatives.

**DATES:** The scheduled dates, times, locations, and addresses for the scoping meetings are as follows:

1. December 5, 2006—Tuesday, 6–8 pm; Tullahoma, TN; Coffee County Administrative Plaza, Community Room, 1329 MacArthur Street, Manchester, TN.
2. December 7, 2006—Thursday, 6–8 pm; Valdosta, GA; Valdosta City Hall Annex 300 N. Lee St., Valdosta, GA.
3. December 12, 2006—Tuesday, 6–8 pm; Shreveport, LA; Holiday Inn, 2015 Old Minden Road, Bossier City, LA.

No additional scoping meetings are scheduled at this time. In addition to comments received at the scoping meetings, any written comments on the scope of the EIS received at the address below by December 16, 2006, will be considered in the preparation of this EIS. All comments received through the scoping process will be evaluated and adjudicated to identify which issues are in fact significant and which ones are not. Issues that are determined to be less important will be addressed in the EIS by a brief discussion of why they were not examined in depth.

**FOR FURTHER INFORMATION CONTACT:** Ms. Debra Harkiewicz, HQ AETC/A7CVI, 266 F Street West, Bldg 901, Randolph, AFB, TX 78150, (210) 652-3959.

**Bao-Anh Trinh,**

*Air Force Federal Register Liaison Officer.*

**BILLING CODE 5001-05-P**

## DEPARTMENT OF DEFENSE

### Department of the Navy

#### Notice of Intent To Prepare an Environmental Impact Statement for Homeporting Additional Surface Ships at Naval Station Mayport, FL, and To Announce a Public Scoping Meeting

**AGENCY:** Department of the Navy, DoD.

**ACTION:** Notice.

**SUMMARY:** Pursuant to Section (102)(2)(C) of the National Environmental Policy Act (NEPA) of 1969, as implemented by the Council on Environmental Quality Regulations (40 CFR Parts 1500-1508), the Department of Navy (Navy) announces its intent to prepare an Environmental Impact Statement (EIS) to evaluate the potential environmental consequences of constructing and operating the facilities and infrastructure associated with homeporting additional surface ships at Naval Station (NAVSTA) Mayport, FL. The Navy proposes to review and assess homeporting additional Atlantic Fleet surface ships at NAVSTA Mayport including cruisers, destroyers, frigates, amphibious assault ships, amphibious transport docks, dock landing ships, and/or a nuclear-powered aircraft carrier. Ultimately the homeporting could involve the relocation of existing ships to NAVSTA Mayport or the assignment of newly acquired ships to NAVSTA Mayport. The proposal includes only those required activities necessary to prepare and operate NAVSTA Mayport for the proposed homeporting and does not include actions at other Navy bases. The EIS study area is NAVSTA Mayport, the Mayport turning basin, the entrance channel, and a portion of the main shipping channel. NAVSTA Mayport covers 3,409 acres and is homeport for 22 ships, five helicopter squadrons, and approximately 16,010 sailors and civilians making it the third largest naval facility in the continental U.S. The scope of actions to be analyzed in this EIS includes homeporting of various classes of surface ships and construction to include dredging, infrastructure and wharf improvements, and construction of nuclear-powered aircraft carrier propulsion plant maintenance facilities (depot-level maintenance facilities including a controlled industrial facility, ship maintenance facility, and maintenance support facility).

**Dates and Addresses:** One public scoping meeting will be held in Jacksonville, FL, to receive written comments on environmental concerns
