Federal Aviation Administration

Notice of Intent To Prepare an Environmental Impact Statement (EIS)

AGENCY: Federal Aviation
Administration, DOT.

ACTION: Notice of intent to prepare an
Environmental Impact Statement (EIS)
and initiation of public and agency
scoping for the Haleakala National Park
Air Tour Management Plan.

SUMMARY: The Federal Aviation
Administration (FAA), in cooperation
with the National Park Service (NPS),
began development of an Air Tour
Management Plan (ATMP) and
associated Environmental Assessment
(EA) for Haleakala National Park in
February 2003. The ATMP is being
established pursuant to the National
Parks Air Tour Management Act of 2000

(Pub. L. 106-181) and its implementing
regulations contained in Title 14, Code
of Federal Regulations, Part 136,
National Parks Air Tour Management.
The objective of the ATMP is to develop
acceptable and effective measures to
mitigate or prevent the significant
adverse impacts, if any, of commercial
air tour operations upon the natural
resources, cultural resources, and visitor
experiences of Haleakala National Park.

The FAA and NPS have now decided
to proceed with development of an
Environmental Impact Statement (EIS)
for this project. This decision is based
on information received through the EA
scoping process, the environmental
analysis completed by the Agencies to
date, the consideration of preliminary
ATMP alternatives, and through
consultations conducted pursuant to
Section 106 of the National Historic
Preservation Act.

By this notice, the FAA and NPS are
initiating a 60-day scoping period for
this EIS. This timeframe is provided due
to the major holidays occurring during
this public review period.

The FAA and NPS are now inviting
the public, agencies, and other
interested parties to provide written
comments, suggestions, and input
regarding the scope of issues and the
identification of significant issues to be
addressed in the EIS. Comments
previously submitted in response to the
EA scoping will not need to be re-
submitted, as they will be considered as
part of the EIS process and record. No
additional scoping meetings are
scheduled.

DATES: The 60-day scoping comment
period will commence upon publication
of this Notice. Please submit any written
response you may have within 60 days
from the date of this Notice or no later
than January 16, 2007.
