## DEPARTMENT OF STATE

### [Public Notice 5616]

#### **Bureau of Educational and Cultural Affairs (ECA) Request for Grant Proposals: Gilman International Scholarship Program**

*Announcement Type:* New Grant.  
*Funding Opportunity Number:* ECA/A/S/A-07-10.

*Catalog of Federal Domestic Assistance Number:* 19.425.

### **Key Dates**

*Application Deadline:* February 2, 2007.

*Executive Summary:* The Office of Global Educational Programs of the Bureau of Educational and Cultural Affairs announces an open competition to administer the Benjamin A. Gilman International Scholarship Program. Public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 U.S.C. 501(c)(3) may submit proposals for the purpose of administering a scholarship program for academic study by Americans outside the United States.

### **Funding Opportunity Description**

#### *Authority*

Overall grant making authority for this program is contained in the Mutual Educational and Cultural Exchange Act of 1961, as amended, Public Law 87-256, also known as the Fulbright-Hays Act. The purpose of the Act is "to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries \* \* \*; to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other nations \* \* \* and thus to assist in the development of friendly, sympathetic, and peaceful relations between the United States and the other countries of the world." The funding authority for the program above is provided through legislation.

#### *Purpose*

This program provides grants to enable U.S. citizen undergraduate students of limited financial means to pursue academic studies abroad. Such foreign study is intended to expand understanding of other countries and cultures among U.S. students, expose citizens of other countries to Americans from diverse backgrounds, and better prepare U.S. students to assume significant roles in an increasingly global economy.

#### *History*

Since the program's inception in 2001, nearly 2,000 Gilman scholars from more than 500 U.S. colleges and universities have studied in 94 countries around the world.

#### *Overview*

It is anticipated that, pending appropriation of funds, this grant will provide an assistance award of

approximately \$3,918,000 for the purpose of recruiting, selecting, and issuing grants of up to \$5,000 to individuals who meet the eligibility requirements listed below toward the cost of up to one academic year of undergraduate study abroad. Supplements for study of critical need languages will also be provided.

The intent of the authorizing legislation for the Benjamin A. Gilman International Scholarship Program is to broaden the U.S. student population that participates in study abroad by focusing on those students who might not otherwise study outside the U.S. due to financial constraints.

The Bureau also seeks to encourage participating students and their institutions to choose non-traditional study-abroad locations, to study languages, and to help under-represented U.S. institutions offer and promote study-abroad opportunities for their students. These objectives should be addressed in grant proposals.

#### Guidelines

Upon receipt of grant notification, the administering organization should be prepared to announce the program, solicit applications, and award scholarships to U.S. students to begin overseas study as soon as possible.

#### Student Eligibility

To apply for a scholarship, an applicant must:

- Be a citizen of the United States. Permanent residents of the United States are not eligible.
- Be an undergraduate student in good standing at an institution of higher education in the United States (including both two-year and four-year institutions).
- Be a recipient of Federal Pell Grant funding during the academic term of his/her application.
- Be applying to, or accepted for, a study abroad program eligible for credit from the student's home institution. Proof of program acceptance is required for final award disbursement.
- Not be proposing to study in a country currently under a Travel Warning issued by the United States Department of State or in Cuba. Travel Warnings are issued when the State Department recommends that Americans avoid a certain country. To find a list of these countries, please see [http://travel.state.gov/travel/cis\\_pa\\_tw/tw/tw\\_1764.html](http://travel.state.gov/travel/cis_pa_tw/tw/tw_1764.html).

*Recruitment, Application, and Selection*

1. The grantee organization shall publicize the scholarship competition to accredited institutions of higher

education in the United States. This can be achieved through direct contacts with institutions and through participation in major education conferences and events. Emphasis shall be on reaching out to a diverse range of institutions and programs within those institutions.

2. The selection process shall be carried out through a committee that includes representatives of a diverse mix of accredited institutions of higher education in the United States.

3. In ranking eligible applicants for scholarships, consideration should be given to academic excellence, financial need, diversity of the applicant pool, fields of study, proposed destination, plans for language study, and type and location of home institution. Preference should be given to applicants with no previous study abroad experience.

#### Reporting

After fall and spring selection panels, the grantee organization will submit reports on the number of applicants, the number of participants selected, the names of the institutions of higher education in the United States that applicants and awardees were attending at the time of application, the names of institutions sponsoring the study programs abroad, the names and locations of the institutions of higher education outside the United States that participants attend during their study program abroad, and the fields of study of the participants. Because diversity is an important program goal, the grantee should attempt to collect age, ethnic, gender, and disability data from scholarship applicants and recipients, while respecting Federal guidelines on the solicitation of such information. The grantee shall also provide program information and data to be included in the program's annual end-of-year report to Congress. Additionally, the Bureau of Educational and Cultural Affairs may request other periodic and *ad hoc* reports. This may include separate breakdowns for students studying in regions or countries of strategic interest and students studying critical need languages.

#### II. Award Information

*Type of Award:* Grant.  
*Fiscal Year Funds:* 2007.  
*Approximate Total Funding:* \$3,918,000.  
*Approximate Number of Awards:* 1.  
*Approximate Average Award:* \$3,918,000.  
*Anticipated Award Date:* Pending availability of funds, April 1, 2007.  
*Anticipated Project Completion Date:* September 30, 2008.

*Additional Information:* Pending successful implementation of this program and the availability of funds in subsequent fiscal years, it is ECA's intent to renew this grant for two additional fiscal years before openly competing it again.

#### III. Eligibility Information

##### III.1. Eligible applicants

Applications may be submitted by public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 U.S.C. 501(c)(3).

##### III.2. Cost Sharing or Matching Funds

There is no minimum or maximum percentage required for this competition. However, the Bureau encourages applicants to provide maximum levels of cost sharing and funding in support of its programs.

When cost sharing is offered, it is understood and agreed that the applicant must provide the amount of cost sharing as stipulated in its proposal and later included in an approved grant agreement. Cost sharing may be in the form of allowable direct or indirect costs. For accountability, the grantee must maintain written records to support all costs which are claimed as a contribution, as well as costs to be paid by the Federal government. Such records are subject to audit. The basis for determining the value of cash and in-kind contributions must be in accordance with OMB Circular A-110, (Revised), Subpart C.23—Cost Sharing and Matching. In the event the grantee does not provide the minimum amount of cost sharing as stipulated in the approved budget, ECA's contribution will be reduced in like proportion.

##### III.3. Other Eligibility Requirements

a. Bureau grant guidelines require that organizations with less than four years experience in conducting international exchanges be limited to \$60,000 in Bureau funding. ECA anticipates awarding one grant, in an amount of approximately \$3,918,000, to support program and administrative costs required to implement this exchange program. Therefore, organizations with less than four years experience in conducting international exchanges are ineligible to apply under this competition.

#### IV. Application and Submission Information

**Note:** Please read the complete **Federal Register** announcement before sending inquiries or submitting proposals. Once the RFGP deadline has passed, Bureau staff may

not discuss this competition with applicants until the proposal review process has been completed.

Applicants must follow all instructions in the Solicitation Package. The original and 7 copies of the application should be sent per the instructions under IV.3f. "Submission Dates and Times section" below.

IV.3a. You are required to have a Dun and Bradstreet Data Universal Numbering System (DUNS) number to apply for a grant or cooperative agreement from the U.S. Government. If your organization is a private nonprofit which has not received a grant or cooperative agreement from ECA in the past three years, or if your organization received nonprofit status from the IRS within the past four years, you must submit the necessary documentation to verify nonprofit status as directed in the PSI document. Failure to do so will cause your proposal to be declared technically ineligible.

IV.3d. Please take into consideration the following information when preparing your proposal narrative:

##### *IV.3d.1. Adherence to All Regulations Governing the J Visa*

**Please note:** The following is being communicated for informational purposes only and does not directly apply to this solicitation or program. The Bureau of Educational and Cultural Affairs is placing renewed emphasis on the secure and proper administration of Exchange Visitor (J visa) Programs and adherence by grantees and sponsors to all regulations governing the J visa. Therefore, proposals should demonstrate the applicant's capacity to meet all requirements governing the administration of the Exchange Visitor Programs as set forth in 22 CFR part 62, including the oversight of Responsible Officers and Alternate Responsible Officers, screening and selection of program participants, provision of pre-arrival information and orientation to participants, monitoring of participants, proper maintenance and security of forms, record-keeping, reporting, and other requirements.

A copy of the complete regulations governing the administration of Exchange Visitor (J) programs is available at <http://exchanges.state.gov> or from: United States Department of State, Office of Exchange Coordination and Designation, ECA/EC/ECD-SA-44, Room 734, 301 4th Street, SW., Washington, DC 20547, Telephone: (202) 203-5029, FAX: (202) 453-8640.

##### *IV.3d.2. Diversity, Freedom and Democracy Guidelines*

Pursuant to the Bureau's authorizing legislation, programs must maintain a non-political character and should be balanced and representative of the

diversity of American political, social, and cultural life. "Diversity" should be interpreted in the broadest sense and encompass differences including, but not limited to ethnicity, race, gender, religion, geographic location, socio-economic status, and disabilities. Applicants are strongly encouraged to adhere to the advancement of this principle both in program administration and in program content. Please refer to the review criteria under the 'Support for Diversity' section for specific suggestions on incorporating diversity into your proposal. Public Law 104-319 provides that "in carrying out programs of educational and cultural exchange in countries whose people do not fully enjoy freedom and democracy," the Bureau "shall take appropriate steps to provide opportunities for participation in such programs to human rights and democracy leaders of such countries." Public Law 106-113 requires that the governments of the countries described above do not have inappropriate influence in the selection process. Proposals should reflect advancement of these goals in their program contents, to the full extent deemed feasible.

##### *IV.3d.3. Program Monitoring and Evaluation*

Proposals must include a plan to monitor and evaluate the project's success, both as the activities unfold and at the end of the program. The Bureau recommends that your proposal include a draft survey questionnaire or other technique plus a description of a methodology to use to link outcomes to original project objectives. The Bureau expects that the grantee will track participants or partners and be able to respond to key evaluation questions, including satisfaction with the program, learning as a result of the program, changes in behavior as a result of the program, and effects of the program on institutions (institutions in which participants work or partner institutions). The evaluation plan should include indicators that measure gains in mutual understanding as well as substantive knowledge.

Successful monitoring and evaluation depend heavily on setting clear goals and outcomes at the outset of a program. Your evaluation plan should include a description of your project's objectives, your anticipated project outcomes, and how and when you intend to measure these outcomes (performance indicators). The more that outcomes are "smart" (specific, measurable, attainable, results-oriented, and placed in a reasonable time frame), the easier it will be to conduct the evaluation. You

should also show how your project objectives link to the goals of the program described in this RFGP.

Your monitoring and evaluation plan should clearly distinguish between program *outputs* and *outcomes*. *Outputs* are products and services delivered, often stated as an amount. Output information is important to show the scope or size of project activities, but it cannot substitute for information about progress towards outcomes or the results achieved. Examples of outputs include the number of people trained or the number of seminars conducted.

*Outcomes*, in contrast, represent specific results a project is intended to achieve and is usually measured as an extent of change. Findings on outputs and outcomes should both be reported, but the focus should be on outcomes.

We encourage you to assess the following four levels of outcomes, as they relate to the program goals set out in the RFGP (listed here in increasing order of importance):

1. *Participant satisfaction* with the program and exchange experience.

2. *Participant learning*, such as increased knowledge, aptitude, skills, and changed understanding and attitude. Learning includes both substantive (subject-specific) learning and mutual understanding.

3. *Participant behavior*, concrete actions to apply knowledge in work or community; greater participation and responsibility in civic organizations; interpretation and explanation of experiences and new knowledge gained; continued contacts between participants, community members, and others.

4. *Institutional changes*, such as increased collaboration and partnerships, policy reforms, new programming, and organizational improvements.

**Please note:** Consideration should be given to the appropriate timing of data collection for each level of outcome. For example, satisfaction is usually captured as a short-term outcome, whereas behavior and institutional changes are normally considered longer-term outcomes.

Overall, the quality of your monitoring and evaluation plan will be judged on how well it (1) Specifies intended outcomes; (2) gives clear descriptions of how each outcome will be measured; (3) identifies when particular outcomes will be measured; and (4) provides a clear description of the data collection strategies for each outcome (*i.e.*, surveys, interviews, or focus groups). (Please note that evaluation plans that deal only with the first level of outcomes [satisfaction] will

be deemed less competitive under the present evaluation criteria.)

Grantees will be required to provide reports analyzing their evaluation findings to the Bureau in their regular program reports. All data collected, including survey responses and contact information, must be maintained for a minimum of three years and provided to the Bureau upon request.

IV.3e. Please take the following information into consideration when preparing your budget:

#### IV.3e.1. Budget Guidelines

Applicants must submit a comprehensive budget for the entire program. There must be a summary budget as well as breakdowns reflecting both administrative and program budgets. Applicants may provide separate sub-budgets for each program component, phase, location, or activity to provide clarification. Applicants should budget the maximum possible amount for scholarships and keep administrative and overhead costs to a minimum.

IV.3e.2. Allowable costs for the program include the following:

1. Administrative: Salaries and benefits and other direct administrative expenses such as postage, phone, printing and office supplies.

2. Program: Participant expenses, which may include institutional fees, travel expenses, tuition; expenses related to review panels, including travel and per-diem.

Please refer to the Solicitation Package for complete budget guidelines and formatting instructions.

IV.3.f. Application Deadline and Methods of Submission:

*Application Deadline Date:* February 2, 2007.

#### IV.3f.2 Submitting Electronic Applications

Applicants have the option of submitting proposals electronically through Grants.gov (<http://www.grants.gov>). Complete solicitation packages are available at Grants.gov in the "Find" portion of the system. Please follow the instructions available in the "Get Started" portion of the site (<http://www.grants.gov/GetStarted>).

Several of the steps in the Grants.gov registration process could take several weeks. Therefore, applicants should check with appropriate staff within their organizations immediately after reviewing this RFGP to confirm or determine their registration status with Grants.gov. Once registered, the amount of time it can take to upload an application will vary depending on a variety of factors including the size of the application and the speed of your internet connection. Therefore, we strongly recommend that you not wait until the application deadline to begin the submission process through Grants.gov.

Direct all questions regarding Grants.gov registration and submission to: Grants.gov Customer Support, Contact Center Phone: 800-518-4726, Business Hours: Monday—Friday, 7 a.m.—9 p.m. Eastern Time, E-mail: [support@grants.gov](mailto:support@grants.gov).

Applicants have until midnight (12 a.m.), Washington, DC time of the closing date to ensure that their entire application has been uploaded to the Grants.gov site. There are no exceptions to the above deadline. Applications uploaded to the site after midnight of the application deadline date will be automatically rejected by the grants.gov system, and will be technically ineligible. Applicants will receive a confirmation e-mail from grants.gov upon the successful submission of an application. ECA will *not* notify you upon receipt of electronic applications.

It is the responsibility of all applicants submitting proposals via the Grants.gov Web portal to ensure that proposals have been received by Grants.gov in their entirety, and ECA bears no responsibility for data errors resulting from transmission or conversion processes.

IV.3g. Intergovernmental Review of Applications: Executive Order 12372 does not apply to this program.

## V. Application Review Information

### V.1. Review Process

The Bureau will review all proposals for technical eligibility. Proposals will be deemed ineligible if they do not fully adhere to the guidelines stated herein and in the Solicitation Package. All eligible proposals will be reviewed by the program office, as well as the Public Diplomacy section overseas, where appropriate. Eligible proposals will be subject to compliance with Federal and Bureau regulations and guidelines and forwarded to Bureau grant panels for advisory review. Proposals may also be reviewed by the Office of the Legal Adviser or by other Department elements. Final funding decisions are at the discretion of the Department of State's Assistant Secretary for Educational and Cultural Affairs. Final technical authority for cooperative agreements resides with the Bureau's Grants Officer.

### Review Criteria

### [Public Notice 5615]

#### No FEAR Act Notice

**SUMMARY:** Pursuant to the requirements of 5 CFR 724.202, ("Notice obligations"), the U.S. Department of State hereby publishes this No FEAR Act Notice. The purpose of the Notice is to inform Department employees, former employees, and applicants for employment of the rights and protections available under Federal antidiscrimination and whistleblower protection laws. This Notice follows the model language provided by the Office of Personnel Management in the Final Rule, Implementation of Title II of the Notification and Federal Employee Antidiscrimination and Retaliation Act of 2002—Notification & Training (71 FR 41095). Any questions regarding this notice should be directed to Janice F. Caramanica, Senior Attorney-Advisor, U.S. Department of State, Office of Civil Rights (S/OCR), 2201 C Street, NW., Room 7428, Washington, DC 20520-7428, phone (202) 647-9295, fax (202) 647-4969, e-mail [caramanicajf@state.gov](mailto:caramanicajf@state.gov).

On May 15, 2002, Congress enacted the "Notification and Federal Employee Antidiscrimination and Retaliation Act of 2002," which is now known as the No FEAR Act. One purpose of the Act is to "require that Federal agencies be accountable for violations of antidiscrimination and whistleblower protection laws." Public Law 107-174, Summary. In support of this purpose, Congress found that "agencies cannot be run effectively if those agencies practice or tolerate discrimination." Public Law 107-174, Title I, General Provisions, section 101(1).

The Act also requires this agency to provide this notice to Federal employees, former Federal employees and applicants for Federal employment to inform you of the rights and protections available to you under Federal antidiscrimination and whistleblower protection laws.

#### Antidiscrimination Laws

A Federal agency cannot discriminate against an employee or applicant with respect to the terms, conditions or privileges of employment on the basis of race, color, religion, sex, national origin, age, disability, marital status or political affiliation. Discrimination on these bases is prohibited by one or more of the following statutes: 5 U.S.C. 2302(b)(1), 29 U.S.C. 206(d), 29 U.S.C. 631, 29 U.S.C. 633a, 29 U.S.C. 791 and 42 U.S.C. 2000e-16.

If you believe that you have been the victim of unlawful discrimination on the basis of race, color, religion, sex, national origin or disability, you must contact an Equal Employment Opportunity (EEO) counselor within 45 calendar days of the alleged discriminatory action, or, in the case of a personnel action, within 45 calendar days of the effective date of the action, before you can file a formal complaint of discrimination with your agency. See, e.g., 29 CFR part 1614 and the Office of Civil Rights Web site at <http://www.state.gov/s/ocr>.

If you believe that you have been the victim of unlawful discrimination on the basis of age, you must either contact an EEO counselor as noted above or give notice of intent to sue to the Equal Employment Opportunity Commission (EEOC) within 180 calendar days of the alleged discriminatory action. If you are alleging discrimination based on marital status or political affiliation, you may file a written complaint with the U.S. Office of Special Counsel (OSC) (see contact information below). In the alternative (or in some cases, in addition), you may pursue a discrimination complaint by filing a grievance through your agency's administrative or negotiated grievance procedures, if such procedures apply and are available.

#### Whistleblower Protection Laws

A Federal employee with authority to take, direct others to take, recommend or approve any personnel action must not use that authority to take or fail to take, or threaten to take or fail to take, a personnel action against an employee or applicant because of disclosure of information by that individual that is reasonably believed to evidence violations of law, rule or regulation; gross mismanagement; gross waste of funds; an abuse of authority; or a substantial and specific danger to public health or safety, unless disclosure of such information is specifically required by Executive Order to be kept secret in the interest of national defense or the conduct of foreign affairs.

Retaliation against an employee or applicant for making a protected disclosure is prohibited by 5 U.S.C. 2302(b)(8). If you believe that you have been the victim of whistleblower retaliation, you may file a written complaint (Form OSC-11) with the U.S. Office of Special Counsel at 1730 M Street, NW., Suite 218, Washington, DC 20036-4505 or online through the OSC Web site—<http://www.osc.gov>.
