**Notice of Cancellation of the Environmental Impact Statement for the Proposed Reconstruction of BIA Route 27 on the Pine Ridge Indian Reservation, SD**

**AGENCY:** Bureau of Indian Affairs, Interior.

**ACTION:** Notice.

**SUMMARY:** This notice advises the public that the Bureau of Indian Affairs (BIA) intends to cancel work on the Environmental Impact Statement (EIS) for the proposed reconstruction of BIA Route 27 near Wounded Knee, South Dakota, and instead, prepare an Environmental Assessment for the proposed action. The Notice of Intent to prepare the EIS, which included a description of the proposed action, was published in the **Federal Register** on August 22, 2005 (70 FR 48972).

**DATES:** This cancellation is effective December 27, 2006. Written comments must arrive by December 26, 2006.

**ADDRESSES:** You may mail or hand carry written comments to Marilyn Bercier, Bureau of Indian Affairs, Great Plains Regional Office, 115 4th Avenue SE, Aberdeen, South Dakota 57401.

**FOR FURTHER INFORMATION CONTACT:** Marilyn Bercier, (605) 226–7656.

**SUPPLEMENTARY INFORMATION:** The BIA is canceling work on this EIS because scoping and analysis completed to date, including a public scoping meeting held September 13, 2005, in Manderson, South Dakota, and consultation under section 106 of the National Historic Preservation Act and section 7 of the Endangered Species Act, have shown

that the proposed action would have no significant impact on the environment. The EIS is therefore being converted to an Environmental Assessment (EA). A Notice of Availability of the Finding of No Significant Impact, which will include information on how to obtain a copy of the EA, will be published and/or posted in the same places (except the **Federal Register**) as the Notice of Intent to prepare the EIS and will be sent to all parties on any mailing list relating to the EIS process for this project.
