Fish and Wildlife Service

Final Environmental Impact Statement and Record of Decision for Incidental Take of the Endangered Alabama Beach Mouse

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice.

SUMMARY: The Fish and Wildlife Service (Service) announces the availability of a Final Environmental Impact Statement (FEIS), which analyzes the environmental impacts associated with incidental take permits that were previously issued under the Endangered Species Act of 1973 (Act), as amended (16 U.S.C. 1531 *et seq.*), for take of the Alabama beach mouse (*Peromyscus polionotus ammobates*). The FEIS analyzes the consequences of the proposed action and alternatives to the proposed action. The incidental take permits, previously issued to Gulf Highlands LLC and Beach Club West, involve the construction, occupancy, use, operation, and maintenance of two residential/recreational condominium development projects on the Fort Morgan Peninsula in Baldwin County, Alabama. For Record of Decision (ROD) availability, see **DATES**.

DATES: The ROD will be available no sooner than December 29, 2006.

ADDRESSES: Persons wishing to review the FEIS may obtain a copy by writing either to the Service's Southeast Regional Office at Regional Office, 1875 Century Boulevard, Suite 200, Atlanta, Georgia 30345 (Attn: Endangered Species Permits), or to the Alabama Field Office at U.S. Fish and Wildlife Service, 1208-B Main Street, Daphne, Alabama 36526 (Attn: Darren LeBlanc). Documents will be available for public inspection by appointment during normal business hours at both offices.

FOR FURTHER INFORMATION CONTACT: Mr. Aaron Valenta, Regional HCP Coordinator (see **ADDRESSES** above), telephone: 404/679-4144; or Darren LeBlanc, Alabama Field Office (see **ADDRESSES** above), telephone: 251/441-5859.

SUPPLEMENTARY INFORMATION: On October 8, 2002, we advertised a notice of intent to prepare and EIS for this project and requested public comment (67 FR 62809). On October 29, 2002, we held a public scoping meeting and invited the public to provide relevant information on the project. The public comment period ended on November 22, 2002. We subsequently reopened the comment period for 15 days between

December 18, 2002 and January 2, 2003 (67 FR 77505). On April 28, 2006, we published a notice of availability for the draft EIS with a 90-day comment period on the draft EIS (71 FR 25221). We also held a public hearing on June 26, 2006. For ROD availability, see **DATES**.

The FEIS analyzes the preferred alternative, as well as a full range of reasonable alternatives and the associated impacts of each. Alternative 5 (Preferred Alternative) concentrates the development on the eastern portion of the site and includes a 909-foot corridor connecting adjacent primary/secondary dunes and escarpment to the Interior. This alternative provides for dedication of 100.8 acres of Permittee-owned lands into conservation status via covenants, conditions, and restrictions attached to the property, and conditions of any incidental take permit that might be issued.

The environmental review of this project is being conducted in accordance with the requirements of the National Environmental Policy Act of 1969 as amended (42 U.S.C. 4321 *et seq.*) and its implementing regulations (40 CFR parts 1500 through 1508), and with other appropriate Federal laws and regulations, policies, and procedures of the Service for compliance with those regulations.

Dated: November 3, 2006.

Cynthia K. Dohner,

Acting Regional Director.

National Park Service

Final Environmental Impact Statement; Non-Native Deer Management Plan; Point Reyes National Seashore; Marin County, CA; Notice of Approval of Record of Decision

SUMMARY: Pursuant to § 102(2)(C) of the National Environmental Policy Act of 1969 (P.L. 91-190, as amended) and the implementing regulations promulgated by the Council on Environmental Quality (40 CFR Part 1505.2), the Department of the Interior, National Park Service has prepared, and the Regional Director, Pacific West Region has approved, the Record of Decision for the Non-Native Deer Management Plan for Pt. Reyes National Seashore. The formal no-action period was officially initiated August 18, 2006, with the U.S. Environmental Protection Agency's **Federal Register** notification of the filing of the Final Environmental Impact Statement (EIS).

Decision: As soon as practicable the Seashore will begin to implement as its new Non-Native Deer Management Plan the *Preferred Alternative (Alternative E)* contained in the Draft and Final EIS. The selected plan features a deliberate, long-term strategy targeting eradication of all fallow and axis deer from the Seashore by 2021. A combined program of fertility control (using long-lasting contraceptives) and lethal removal will be instituted, as well as an intensive monitoring program extending for at least 15 years.

As documented in the Final EIS, this course of action was deemed to be "environmentally preferred". The preferred plan and four alternatives were identified and analyzed in the Final EIS, and previously in the Draft EIS (the latter was distributed in February, 2005). The full spectrum of foreseeable environmental consequences was assessed, and appropriate mitigation measures identified, for each alternative. Beginning with early scoping, through the preparation of the Draft and Final EIS, numerous public meetings were hosted. Approximately 2000 oral and written comments were received during the scoping phase or in response to the Draft EIS. Key consultations or other contacts which aided in preparing the Draft and Final EIS involved (but were not limited to) the California Department of Fish and Game, California State Parks, Marin County Parks and Open Space, Marin Municipal Water District, U.S. Dept. of Agriculture Animal Plant Health Inspection Service, and the U.S. Fish and Wildlife Service. Local communities, county and city officials, and interested organizations were contacted extensively during initial scoping and throughout the conservation planning and environmental impact analysis process.

Copies: Interested parties desiring to review the Record of Decision may obtain a complete copy by contacting the Superintendent, Pt. Reyes National Seashore, Point Reyes, CA 94956; or via telephone request at (415) 464-5100.

Dated: October 17, 2006.

Jonathan B. Jarvis,

Regional Director, Pacific West Region.
