

duplication, and to explore fully how interim data and information from each study can be used to inform the other studies. Information from the quick response surveys will complement but not duplicate other ETA reporting requirements or evaluation studies.

II. Review Focus

Currently, ETA is soliciting comments, concerning the proposed extension of the Quick Turnaround Surveys of WIA, that:

(a) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(b) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(c) Enhance the quality, utility and clarity of the information to be collected; and

(d) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

A copy of the proposed information collection request (ICR) can be obtained by contacting the office listed above in the addressee section of this notice. It can also be accessed at <http://www.doleta.gov/OMBControlNumber.cfm>.
