*Title:* Itemized Undistributed Collections (Schedule UDC).

*OMB No.:* 0970-0268.

*Description:* State agencies administering the Child Support Enforcement Program under Title IV-D of the Social Security Act are required to provide information each fiscal quarter to the Office of Child Support Enforcement (OCSE) concerning administrative expenditures and the receipt and disposition of child support payments from non-custodial parents (Forms OCSE-396A and OCSE-34A—OMB NO. 0970-0181). Together with a third quarterly report, "Itemized Undistributed Collections," these forms provide information from each State that is used to compute the quarterly grant awards, the annual incentive payments and provide valuable information on program finances. This information is also included in a published annual statistical and financial report, available to the general public.

Public Law 109-171, the Deficit Reduction Act of 2005, contains a number of provisions that will impact the States' completion and submission of these quarterly financial reports. These changes become effective in fiscal years 2006, 2007 and 2008. These changes require revisions to some of the data entry lines and reporting instructions currently contained on these forms. In addition, a periodic review of the data currently requested on these forms will assure that OCSE collects the information needed in the most efficient format feasible.

*Respondents:* State agencies administering the Child Support Enforcement Program.

*Title:* National Directory of New Hires.

OMB No.: 0970-0166.

*Description:* Public Law 104-193, the "Personal Responsibility and Work Opportunity Reconciliation Act of 1996," requires the Office of Child Support Enforcement (OCSE) to operate a National Directory of New Hires (NDNH) to improve the ability of State child support enforcement agencies to locate noncustodial parents and collect child support across State lines. The law requires employers to report newly hired employees to States. States are then required to periodically transmit new hire data received from employers to the NDNH, and to transmit wage and unemployment compensation claims data to the NDNH on a quarterly basis. Federal agencies are required to report new hires and quarterly wage data directly to the NDNH. All data is transmitted to the NDNH electronically.

*Respondents:* Employers, State Child Support Enforcement Agencies, State Workforce Agencies, Federal Agencies.
