A copy is also available for inspection and reproduction at the addresses in item g.

l. Individual desiring to be included on the Commission's mailing list should so indicate by writing to the Secretary of the Commission.

m. *Comments, Protests, or Motions to Intervene*—Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but

only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

n. *Filing and Service of Responsive Documents*—Any filings must bear in all capital letters the title "COMMENTS", "PROTESTS", or "MOTION TO INTERVENE", as applicable, and the Project Number of the particular application to which the filing refers. Any of the above-named documents must be filed by providing the original and the number of copies provided by the Commission's regulations to: The Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. A copy of any motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

o. *Agency Comments*—Federal, State, and local agencies are invited to file comments on the described application. A copy of the application may be obtained by agencies directly from the Applicant. If an agency does not file comments within the time specified for filing comments, it will be assumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.

Magalie R. Salas,
Secretary.

Joint Meeting of the Nuclear Regulatory Commission and the Federal Energy Regulatory Commission; Notice of Joint Meeting of the Nuclear Regulatory Commission and the Federal Energy Regulatory Commission

November 29, 2006.

The Federal Energy Regulatory Commission (FERC) and the Nuclear Regulatory Commission (NRC) will hold a joint meeting on Tuesday, January 23, 2007 at the headquarters of the NRC, One White Flint North, 11555 Rockville Pike, Rockville, Maryland 20852. The meeting is expected to begin at 1:30 p.m. and conclude at 3:30 p.m. eastern standard time.

Purpose of the Meeting

The NRC and FERC signed a Memorandum of Agreement on September 1, 2004, to facilitate interactions between the two agencies on matters of mutual interest pertaining to the nation's bulk power system reliability.

Earlier, on April 24, 2006, the two agencies held a joint meeting at the headquarters of FERC to begin dialogue in furtherance of the goals set forth in the September 1, 2004 FERC-NRC Memorandum of Agreement. That meeting included presentations by staff of both agencies and initiated a series of questions to be answered by the respective agencies that addressed grid reliability issues and the roles of the agencies in addressing those issues.

Format for Joint Meeting of Commissions

The format for the joint meeting will be discussions between the two sets of Commissioners following presentations by their respective staffs. In addition, representatives of the North American Electric Reliability Council (NERC) and the U.S. Department of Energy (DOE) may attend and participate in this meeting.

A free Webcast of this event will be made available through the NRC Web site, at <http://www.nrc.gov>. In addition, the event will be transcribed and the transcription will be made available through the NRC Web site approximately three business days after the meeting.

All interested persons are invited. Pre-registration is not required and there is no fee to attend this joint meeting. Questions about the meeting should be directed to Sarah McKinley at Sarah.McKinley@ferc.gov or by phone at 202-502-8004.
