On September 18, 2001, pursuant to delegated authority, the Director, Division of Tariffs and Rates—West, granted the requests for blanket approval under part 34. The Director's order also stated that the Commission would publish a separate notice in the **Federal Register** establishing a period of time for the filing of protests. The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approvals of High Desert's issuance of securities or assumptions of liability.
